## Charleston County Hurricane Irma Update # 7

[Charleston County Government](http://www.charlestoncounty.org) is at Operational Condition (OPCON) 1, which means a disaster or emergency situation is in effect, a full-fledged emergency response operation is on-going, and the EOC is at the highest state of emergency operations. (For definitions of all OPCON levels, visit our site here: <http://www.charlestoncounty.org/departments/emergency-management/opcon.php>).

### **Damage Report Tool:**

Residents can use the link below to report damages related to the storm. This will allow for us to collect initial damage assessment data from the public to assist with a potential FEMA Declaration and to be able to direct damage assessment teams to the areas hit the hardest.
