

CHARLESTON COUNTY AREA, SC PROJECT IMPACT PROGRAMS FOR SCHOOLS

(Contact Joni Rennhack at (843) 202-6940 or jrennhack@charlestoncounty.org for more information.)

- * **Mini-grants** for teachers to create hazard-theme or environmental protection art or music projects or in-class demonstrations with students
- * **Assemblies** for students on weather, hazard-related, and environmental protection
- * **Speakers** for classrooms on hazard-related and environmental topics
- * **Lowcountry Science Fair Awards** for best projects on a hazard-related theme and best projects on an environmental-quality theme
- * **Miscellaneous** (Scout patch programs, environmental service projects, etc.)
- * **Resources** for teachers on hazard-related and environmental topics

Project Impact **school assemblies** are available for all schools in Charleston, Berkeley and Dorchester Counties.

All students whose projects are entered into the **Lowcountry Science Fair** and whose projects are on one of the award themes are eligible for awards.

Mini-grants are available for elementary and middle schools in Charleston, Berkeley and Dorchester Counties. Applications are available on the Project Impact Web site. Projects must be completed by the end of the school year.

Speakers and resources for classrooms are available to any requesting schools.

See our Web site for more information:
