IDEAS BY CATEGORY

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
West County/Edisto Island	2	Edisto	Live, work, play developments w/ trees, sidewalks	Community Appearance
West County/Edisto Island	2	Edisto	Conservation and maintaining character of island	Community Appearance
West County/Edisto Island	1	Edisto	Do not widen Hwy 174 - save scenic corridor	Community Appearance
West County/Edisto Island	1	Edisto	Be mindful of long time property owners - preserve scenic nature	Community Appearance
West County/Edisto Island	3	Edisto	Protect the scenic nature of 174	Community Appearance
West County/Edisto Island	4	Edisto	Maintain peace and quiet = good school, churches, good kids, low crime and healthy environment	Community Appearance
West County/Edisto Island	4	Edisto	Keep Edisto Island rustic and rural; protect Hwy 174 corridor - limit commercial (additional) growth - no neon signs (sign ordinance)	Community Appearance
West County/Edisto Island	5	Edisto	Keep rural character	Community Appearance
West County/Edisto Island	5	Edisto	Improve appearance of derelict buildings	Community Appearance
West County/Edisto Island	5	Edisto	More attention to the sand roads, better maintenance	Community Appearance
Johns and Wadmalaw Islands	8	St. John's H.S.	Keep the highways and ditches clean on Wadmalaw	Community Appearance
Johns and Wadmalaw Islands	8	St. John's H.S.	Continue beautification of our community by keeping the community cleaner and beautification with flowers and plants	Community Appearance
Johns and Wadmalaw Islands	8	St. John's H.S.	Making roads safer by removing dead or damaged trees	Community Appearance
Johns and Wadmalaw Islands	8	St. John's H.S.	Repair trees hit by tractor trailers	Community Appearance
Johns and Wadmalaw Islands	8	St. John's H.S.	Maintain bikepaths and keep the grass cut along roads so people can walk	Community Appearance
Johns and Wadmalaw Islands	6	St. John's H.S.	Conservation and restoration of our beaches	Community Appearance
Johns and Wadmalaw Islands	6	St. John's H.S.	Develop a sense of community across communities	Community Appearance
Johns and Wadmalaw Islands	7	St. John's H.S.	Honor what makes Johns Island unique - marsh, trees, vista, etc.	Community Appearance
Johns and Wadmalaw Islands	7	St. John's H.S.	Increase buffer for roadways and enforce litter laws. Visual buffer (veg. Buffer)	Community Appearance
Johns and Wadmalaw Islands	7	St. John's H.S.	Place community services & facilities underground - power lines, etc.	Community Appearance

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
Johns and Wadmalaw Islands	7	St. John's H.S.	Preserve Wadmalaw and Johns Is. By not widening roads (Bohicket, Main, River, Maybank, Shiscton, Bears Bluff)	Community Appearance
Johns and Wadmalaw Islands	3	St. John's H.S.	Concern about how new development will change the community for current residents	Community Appearance
Johns and Wadmalaw Islands	3	St. John's H.S.	Road design in keeping with rural nature interconnected, no mega roads	Community Appearance
Johns and Wadmalaw Islands	3	St. John's H.S.	Provide for growth in a rural setting	Community Appearance
Johns and Wadmalaw Islands	4	St. John's H.S.	Leave scenic beauty alone	Community Appearance
Johns and Wadmalaw Islands	4	St. John's H.S.	Balance growth w/ aesthetics	Community Appearance
Johns and Wadmalaw Islands	4	St. John's H.S.	Keep Johns Island and Wadmalaw rural	Community Appearance
Johns and Wadmalaw Islands	5	St. John's H.S.	Keep Johns Island rural	Community Appearance
Johns and Wadmalaw Islands	5	St. John's H.S.	Consider low density development for the rural nature of Johns Island	Community Appearance
Johns and Wadmalaw Islands	5	St. John's H.S.	Ensure the rural nature of Johns Island	Community Appearance
Johns and Wadmalaw Islands	2	St. John's H.S.	Maintain agricultural integrity of Wadmalaw Island	Community Appearance
Johns and Wadmalaw Islands	5	St. John's H.S.	Do not turn into Myrtle Beach	Community Appearance
Johns and Wadmalaw Islands	5	St. John's H.S.	Do not turn Johns Island into James Island	Community Appearance
Johns and Wadmalaw Islands	5	St. John's H.S.	Keep rural quality	Community Appearance
Johns and Wadmalaw Islands	5	St. John's H.S.	Look at other models that have worked (European influences). Be more open to new architectural influences without losing historical side. Amsterdam seems to have accomplished this (for instance old stone buildings have mixed in modern influences such as glass walls)	Community Appearance
East Cooper Area	1	Wando H.S.	Power company should clean-up tree debris after trimming in rural areas	Community Appearance
East Cooper Area	1	Wando H.S.	Keep the community clean	Community Appearance
East Cooper Area	7	Wando H.S.	Preservation of aesthetic qualities of the area	Community Appearance
East Cooper Area	5	Wando H.S.	Maintenance of roads and ditches - biggest problem	Community Appearance
East Cooper Area	6	Wando H.S.	Preserve and protect the character of established communities	Community Appearance
East Cooper Area	8	Wando H.S.	Improve county roads and rural drainage	Community Appearance
East Cooper Area	8	Wando H.S.	Hwy maintenance	Community Appearance
East Cooper Area	9	Wando H.S.	Better sense of community	Community Appearance
East Cooper Area	4	Wando H.S.	Street lights in neighborhoods of unincorporated areas	Community Appearance
East Cooper Area	4	Wando H.S.	More trees and buffers	Community Appearance
East Cooper Area	4	Wando H.S.	Sidewalks in unincorporated areas of McClellanville	Community Appearance
East Cooper Area	4	Wando H.S.	Cleaner streets and repair roads	Community Appearance
East Cooper Area	3	Wando H.S.	Street lights and stop lights	Community Appearance
East Cooper Area	3	Wando H.S.	Clean the ditches	Community Appearance
Central/Urban Area	2	West Ashley H.S.	Good edge to development	Community Appearance
Central/Urban Area	2	West Ashley H.S.	More trees in parking lots	Community Appearance
Central/Urban Area	2	West Ashley H.S.	Identify gateways into the county and clean up where needed	Community Appearance
Central/Urban Area	2	West Ashley H.S.	Clean up blighted neighborhoods	Community Appearance

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
Central/Urban Area	4	West Ashley H.S.	Preserve the nature of the neighborhood through better ordinances	Community Appearance
Central/Urban Area	4	West Ashley H.S.	Grow small diversified community	Community Appearance
West County/Edisto Island	2	Edisto	New technologies for transportation and community services & facilities	Community Services & Facilities
West County/Edisto Island	2	Edisto	Clean water and sewer	Community Services & Facilities
West County/Edisto Island	2	Edisto	Don't extend infrastructure into rural areas (like Edisto)	Community Services & Facilities
West County/Edisto Island	1	Edisto	Expand water and sewer development to the area	Community Services & Facilities
West County/Edisto Island	1	Edisto	Protect and preserve water quality	Community Services & Facilities
West County/Edisto Island	1	Edisto	More public areas - parks, bikeways, trails	Community Services & Facilities
West County/Edisto Island	3	Edisto	Better law enforcement on Edisto	Community Services & Facilities
West County/Edisto Island	3	Edisto	Train the emergency responders	Community Services & Facilities
West County/Edisto Island	3	Edisto	Start the focus on sustainability and alternative energy	Community Services & Facilities
West County/Edisto Island	3	Edisto	Develop another public boat landing on Pine Landing Road, develop new ball park on Edisto	Community Services & Facilities

County Wide	2	Lonnie Hamilton	Recreational activities for youth especially middle school age	Community Services & Facilities

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
County Wide	2	Lonnie Hamilton	Improve safety for citizens by reducing the crime rate	Community Services & Facilities
County Wide	2	Lonnie Hamilton	Upgrade medical facilities	Community Services & Facilities
County Wide	2	Lonnie Hamilton	Senior citizens activities at community centers	Community Services & Facilities
County Wide	2	Lonnie Hamilton	Reduce crime	Community Services & Facilities
County Wide	2	Lonnie Hamilton	Health care-transportation to public health care	Community Services & Facilities
County Wide	5	Lonnie Hamilton	More swimming pools for children. More dog parks. More mosquito control	Community Services & Facilities
County Wide	5	Lonnie Hamilton	Help to curb obesity in children through more recreation facilities, parks and county programs	Community Services & Facilities
County Wide	5	Lonnie Hamilton	More coordination parks and recreation systems	Community Services & Facilities
County Wide	5	Lonnie Hamilton	Curb crime to make the county a safer place to live in	Community Services & Facilities
County Wide	5	Lonnie Hamilton	Maintain beaches and waterways and smaller parks with basketball nets	Community Services & Facilities
County Wide	3	Lonnie Hamilton	Dedicate land for recreation and economic development	Community Services & Facilities
Johns and Wadmalaw Islands	8	St. John's H.S.	More recreation/less housing and cluster housing	Community Services & Facilities
Johns and Wadmalaw Islands	8	St. John's H.S.	Police station on Wadmalaw w/ cops on duty	Community Services & Facilities
Johns and Wadmalaw Islands	8	St. John's H.S.	Reduce crime	Community Services & Facilities
Johns and Wadmalaw Islands	8	St. John's H.S.	Build better schools for our children that will accommodate them and allow them to learn and train	Community Services & Facilities
Johns and Wadmalaw Islands	8	St. John's H.S.	Eliminate drug trafficking	Community Services & Facilities
Johns and Wadmalaw Islands	6	St. John's H.S.	Addition of parks and recreation	Community Services & Facilities
Johns and Wadmalaw Islands	6	St. John's H.S.	Create thru infrastructure to support development	Community Services & Facilities
Johns and Wadmalaw Islands	6	St. John's H.S.	Lower crime rates	Community Services & Facilities
Johns and Wadmalaw Islands	6	St. John's H.S.	Provide access to our recreational resources	Community Services & Facilities
Johns and Wadmalaw Islands	6	St. John's H.S.	Set aside space for recreational areas	Community Services & Facilities
Johns and Wadmalaw Islands	1	St. John's H.S.	Parks, playground, and recreation needed	Community Services & Facilities
Johns and Wadmalaw Islands	1	St. John's H.S.	More schools based on students diversity of needs	Community Services & Facilities
Johns and Wadmalaw Islands	1	St. John's H.S.	Infrastructure in place before construction	Community Services & Facilities
Johns and Wadmalaw Islands	7	St. John's H.S.	Place community services & facilities underground - power lines, etc.	Community Services & Facilities
Johns and Wadmalaw Islands	7	St. John's H.S.	No PUD's with excessive lot coverage (do not want lots of houses) ie. Liberia Road should not be allowed to subdivide in lot sizes smaller than what's allowed by zoning districts	Community Services & Facilities
Johns and Wadmalaw Islands	7	St. John's H.S.	Develop county park on Johns Island (greenspace)	Community Services & Facilities
Johns and Wadmalaw Islands	7	St. John's H.S.	Designate park of all sizes and types (greenspace) and link together by trails	Community Services & Facilities
Johns and Wadmalaw Islands	3	St. John's H.S.	Plan for the infrastructure next 10 - 15 years and prioritize the building	Community Services & Facilities
Johns and Wadmalaw Islands	3	St. John's H.S.	Public infrastructure, schools, green spaces, water access	Community Services & Facilities
Johns and Wadmalaw Islands	3	St. John's H.S.	Create and support local affordable medical facilities	Community Services & Facilities
Johns and Wadmalaw Islands	4	St. John's H.S.	Better lighting along roadside	Community Services & Facilities
Johns and Wadmalaw Islands	4	St. John's H.S.	Build neighborhood parks	Community Services & Facilities

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
Johns and Wadmalaw Islands	4	St. John's H.S.	City water on Wadmalaw	Community Services & Facilities
Johns and Wadmalaw Islands	4	St. John's H.S.	Damaged trees removed	Community Services & Facilities
Johns and Wadmalaw Islands	2	St. John's H.S.	Places for children to go for after school activities	Community Services & Facilities
Johns and Wadmalaw Islands	2	St. John's H.S.	Community/recreation centers	Community Services & Facilities
Johns and Wadmalaw Islands	2	St. John's H.S.	Ensure infrastructure keeps pace with new growth	Community Services & Facilities
Johns and Wadmalaw Islands	2	St. John's H.S.	Incorporate recreational activities that are already in place	Community Services & Facilities
Johns and Wadmalaw Islands	5	St. John's H.S.	Sheriff substation on Island	Community Services & Facilities
Johns and Wadmalaw Islands	5	St. John's H.S.	Build a hurricane shelter on Johns Island	Community Services & Facilities
Johns and Wadmalaw Islands	5	St. John's H.S.	Encourage water quality in contiguous areas	Community Services & Facilities
Johns and Wadmalaw Islands	5	St. John's H.S.	More public - trails and greenspace	Community Services & Facilities
East Cooper Area	1	Wando H.S.	More lighting in rural communities	Community Services & Facilities
East Cooper Area	1	Wando H.S.	County Sheriff should make rounds 3xs before getting off shifts	Community Services & Facilities
East Cooper Area	1	Wando H.S.	Enhance the quality of life by better water and sewer while preserving the natural resource value of the area	Community Services & Facilities
East Cooper Area	1	Wando H.S.	Stop drugs from coming into the community	Community Services & Facilities
East Cooper Area	1	Wando H.S.	Purify water in Germantown	Community Services & Facilities
East Cooper Area	1	Wando H.S.	Property owners should be granted free sewer when property is acquired for its use	Community Services & Facilities
East Cooper Area	7	Wando H.S.	Health issues from not having proper water and sewer systems	Community Services & Facilities
East Cooper Area	7	Wando H.S.	Provide improved fire flow protection	Community Services & Facilities
East Cooper Area	7	Wando H.S.	Bring in water and sewer	Community Services & Facilities
East Cooper Area	7	Wando H.S.	Promote clean water and septic systems infrastructure in rural areas	Community Services & Facilities
East Cooper Area	7	Wando H.S.	Promote infrastructure that improves quality of life	Community Services & Facilities
East Cooper Area	7	Wando H.S.	Obtain funding from the Federal Govt, County and other grants to fix septic and well in rural areas	Community Services & Facilities
East Cooper Area	7	Wando H.S.	Raise taxes to provide better services	Community Services & Facilities
East Cooper Area	5	Wando H.S.	Better drinking water and fire protection	Community Services & Facilities
East Cooper Area	5	Wando H.S.	Require if a large area is to be developed that the infrastructure to support be in place: fire, water, security, waste management, education, or developer fund it	Community Services & Facilities

Central/Urban Area	4	West Ashley H.S.	Reduce crime and improve education	Education
Central/Urban Area	4	West Ashley H.S.	Smaller community school	Education
Central/Urban Area	7	West Ashley H.S.	Better public schools in neighborhoods for everyone	Education
West County/Edisto Island	1	Edisto	Preserve 25 acre density	Housing
West County/Edisto Island	5	Edisto	Need for affordable housing	Housing

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
County Wide	4	Lonnie Hamilton	More affordable housing	Housing
County Wide	2	Lonnie Hamilton	Slow down new building (residential) becoming less attractive because homes are sitting empty	Housing
Johns and Wadmalaw Islands	8	St. John's H.S.	To require the development of healthy/green housing	Housing
Johns and Wadmalaw Islands	8	St. John's H.S.	Improving the housing system for everyone	Housing
Johns and Wadmalaw Islands	8	St. John's H.S.	End to the homelessness/utilization and development of transitional housing	Housing
Johns and Wadmalaw Islands	6	St. John's H.S.	Eliminate sub-standard housing	Housing
Johns and Wadmalaw Islands	6	St. John's H.S.	Affordable housing for all	Housing
Johns and Wadmalaw Islands	7	St. John's H.S.	Limited residential development	Housing
Johns and Wadmalaw Islands	4	St. John's H.S.	Senior living complexes - need more	Housing
Johns and Wadmalaw Islands	4	St. John's H.S.	Affordable housing	Housing
Johns and Wadmalaw Islands	5	St. John's H.S.	Work force housing for Johns Island	Housing
East Cooper Area	7	Wando H.S.	Affordable housing	Housing
East Cooper Area	6	Wando H.S.	Facilitate affordable housing	Housing
East Cooper Area	6	Wando H.S.	Work force housing for firemen, teachers, carpenters, etc.	Housing
East Cooper Area	6	Wando H.S.	Don't tax us out of our homes	Housing
East Cooper Area	6	Wando H.S.	Facilitate eldercare facilities and community services	Housing
East Cooper Area	9	Wando H.S.	Quality architecture residential	Housing
East Cooper Area	9	Wando H.S.	Strive for owner occupied residential units	Housing
East Cooper Area	9	Wando H.S.	Multi-family in rural areas	Housing
East Cooper Area	9	Wando H.S.	Variety of housing types and prices	Housing
East Cooper Area	4	Wando H.S.	Govt. subsidized affordable housing	Housing
East Cooper Area	3	Wando H.S.	Housing/old and young - lower middle class	Housing
East Cooper Area	2	Wando H.S.	More concern about citizen welfare - senior citizens	Housing
East Cooper Area	2	Wando H.S.	Improve living facilities for senior citizens - public transportation	Housing
Central/Urban Area	2	West Ashley H.S.	Mixed use neighborhoods	Housing
Central/Urban Area	4	West Ashley H.S.	Sustainable building techniques/multiuse/cultural, social, education, mix community/diversity	Housing
Central/Urban Area	4	West Ashley H.S.	Affordable housing	Housing
Central/Urban Area	3	West Ashley H.S.	Retirement communities in Charleston county, easy access to downtown and to hospitals	Housing
Central/Urban Area	3	West Ashley H.S.	Affordable housing in all new developments and work live units, greenspace, save trees	Housing
Central/Urban Area	7	West Ashley H.S.	Protect and add to affordable housing	Housing
West County/Edisto Island	3	Edisto	Dock permits should be more strictly regulated and inspected	Implementation
West County/Edisto Island	4	Edisto	Continue county council and planning dept. responsiveness to public and not political influences	Implementation
West County/Edisto Island	4	Edisto	Charleston County cannot use PD process to increase density of current zoning	Implementation

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
West County/Edisto Island	4	Edisto	Repeal or amend the settlement act to allow for due process and public hearing	Implementation
West County/Edisto Island	4	Edisto	County give Edisto the same control of its destiny as Wadmalaw	Implementation
West County/Edisto Island	5	Edisto	Make the developer responsible for the impact to the infrastructure	Implementation
County Wide	2	Lonnie Hamilton	More public participation like this because 1,000 heads are better than 4-maintain quality of life	Implementation
Johns and Wadmalaw Islands	6	St. John's H.S.	Evaluate growth - cost benefit analysis	Implementation
Johns and Wadmalaw Islands	6	St. John's H.S.	Improve structure of state government	Implementation
Johns and Wadmalaw Islands	6	St. John's H.S.	Make sure county government is fair to all	Implementation
Johns and Wadmalaw Islands	1	St. John's H.S.	Increased public input for all development	Implementation
Johns and Wadmalaw Islands	1	St. John's H.S.	Reorganize the Charleston County Planning Dept. (more responsive to inevitable change and growth)	Implementation
Johns and Wadmalaw Islands	1	St. John's H.S.	County meetings localized by community so more citizens can attend	Implementation
Johns and Wadmalaw Islands	1	St. John's H.S.	Improved communication between citizens and county government	Implementation
Johns and Wadmalaw Islands	7	St. John's H.S.	Permanent regulations that are established through this process should remain constant	Implementation
Johns and Wadmalaw Islands	3	St. John's H.S.	Election of responsible leaders (politicians)	Implementation
Johns and Wadmalaw Islands	2	St. John's H.S.	More localized comprehensive plans for each community	Implementation
Johns and Wadmalaw Islands	5	St. John's H.S.	Ask us what we would like	Implementation
Johns and Wadmalaw Islands	5	St. John's H.S.	Comprehensive plan for Johns Island	Implementation
East Cooper Area	1	Wando H.S.	Infrastructure to preserve appropriate rural character and quality of life	Implementation
East Cooper Area	1	Wando H.S.	Landowners need to be informed of all decision - making processes/communication concerning their community	Implementation
East Cooper Area	1	Wando H.S.	Public hearing/meetings should be relayed to churches to improve communication	Implementation
East Cooper Area	7	Wando H.S.	More public input in the growth of the county	Implementation
East Cooper Area	7	Wando H.S.	Preservation of private property rights	Implementation
East Cooper Area	5	Wando H.S.	People as part of natural environment two categories of planning: science based and political planning. Done political planning - that has failed; like to see science based	Implementation
East Cooper Area	5	Wando H.S.	Adopt current building codes and get on some code cycle as international code council and enforce the code	Implementation
East Cooper Area	5	Wando H.S.	Develop comprehensive plan and stick to it	Implementation
East Cooper Area	6	Wando H.S.	Don't tax us out of our homes	Implementation
East Cooper Area	6	Wando H.S.	Do not allow contractors to deviate from housing density of no more than 3 units per acre	Implementation
East Cooper Area	6	Wando H.S.	Protect private property rights	Implementation
East Cooper Area	6	Wando H.S.	Promote human rights over private property rights	Implementation
East Cooper Area	8	Wando H.S.	Extend current Comp Plan ideas to the new plan	Implementation

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
East Cooper Area	8	Wando H.S.	Enforcement of Comp Plan "Advisory Group"	Implementation
East Cooper Area	8	Wando H.S.	Direct contact w/ county council	Implementation
East Cooper Area	2	Wando H.S.	Make county fair playing field - everyone on same level	Implementation
East Cooper Area	2	Wando H.S.	Support those that are working to make things better	Implementation
Unspecified	Unspecified	Unspecified	Encourage forestry in rural area	Land Use
West County/Edisto Island	2	Edisto	Live, work, play developments w/ trees, sidewalks	Land Use
West County/Edisto Island	2	Edisto	TOD developments (Transit Oriented Developments)	Land Use
West County/Edisto Island	2	Edisto	Maintain urban growth boundaries	Land Use
West County/Edisto Island	2	Edisto	Explore hub/spokes development to conserve land/utility infrastructure	Land Use
West County/Edisto Island	2	Edisto	Limit growth	Land Use
West County/Edisto Island	2	Edisto	Preserve rural areas	Land Use
West County/Edisto Island	2	Edisto	Don't extend infrastructure into rural areas (like Edisto)	Land Use
West County/Edisto Island	2	Edisto	Promote cluster developments/bonus densities	Land Use
West County/Edisto Island	2	Edisto	Promote green space	Land Use
West County/Edisto Island	1	Edisto	Keep development within existing plan - preserve ag land	Land Use
West County/Edisto Island	1	Edisto	Strengthen plan to protect southern county - ACE Basin min. development. i.e. settlement areas	Land Use
West County/Edisto Island	1	Edisto	Preserve 25 acre density	Land Use
West County/Edisto Island	1	Edisto	Do not allow dump on Shepard Track	Land Use
West County/Edisto Island	1	Edisto	Limit development	Land Use
West County/Edisto Island	1	Edisto	Strong language area description i.e. ACE Basin (unique)	Land Use
West County/Edisto Island	1	Edisto	Develop growth compatible w/ existing land use	Land Use
West County/Edisto Island	1	Edisto	Cut out double density of PUD	Land Use
West County/Edisto Island	1	Edisto	Eliminate combination of density across zoning lines	Land Use
West County/Edisto Island	1	Edisto	Preserve Edisto - leave "as is"	Land Use
West County/Edisto Island	1	Edisto	Protect and expand ACE Basin	Land Use
West County/Edisto Island	3	Edisto	Protect the agricultural preservation zoning of Edisto. Eliminate double density PDs, and eliminate settlement area zones.	Land Use
West County/Edisto Island	3	Edisto	Start the focus on sustainability and alternative energy	Land Use
West County/Edisto Island	3	Edisto	Dedicated contained service area for controlled growth (banks, doctors, clinics, employment)	Land Use
West County/Edisto Island	3	Edisto	Control growth of population, no more than 1 house per 5 acres	Land Use
West County/Edisto Island	3	Edisto	Better planning of subdivisions to allow for smart growth	Land Use
West County/Edisto Island	3	Edisto	Control growth to discourage sprawl by creating higher density in appropriate areas	Land Use
West County/Edisto Island	3	Edisto	Development regulations to maintain quality water in the County, non point source pollution	Land Use
West County/Edisto Island	4	Edisto	Chas. County cannot use PD process to increase density of current zoning	Land Use

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
West County/Edisto Island	4	Edisto	Change all waterfront zoning to AG-10 minimum - No AGR	Land Use
West County/Edisto Island	4	Edisto	Control and limit growth, sprawl to defined areas while maintaining green spaces	Land Use
West County/Edisto Island	4	Edisto	Maintain trees and create more greenspace	Land Use
West County/Edisto Island	4	Edisto	Limit coastal growth both houses and commercial to preserve greenspace - smart growth - cluster commercial dev.	Land Use
West County/Edisto Island	4	Edisto	Keep Edisto Island rustic and rural; protect Hwy 174 corridor - limit commercial (additional) growth - no neon signs (sign ordinance)	Land Use
West County/Edisto Island	5	Edisto	Control the growth and limit mass developments	Land Use
West County/Edisto Island	5	Edisto	Maintain existing greenspace maybe even add to existing and protect the waterways	Land Use
West County/Edisto Island	5	Edisto	Keep rural character	Land Use
West County/Edisto Island	5	Edisto	Edisto Island to mirror the Wadmalaw Island plan	Land Use
West County/Edisto Island	5	Edisto	Consideration for settlement land. More restrictive than it is now.	Land Use
West County/Edisto Island	5	Edisto	Urban sprawl, address transportation	Land Use
County Wide	4	Lonnie Hamilton	Control growth	Land Use
County Wide	4	Lonnie Hamilton	Foster community development-live, work, shop, play, educate	Land Use
County Wide	2	Lonnie Hamilton	Rehab areas that have been allowed to decay rather than build new places farther out, take care of what exists	Land Use
County Wide	5	Lonnie Hamilton	Carefully plan the expansion process	Land Use
County Wide	3	Lonnie Hamilton	Reduce growth-tax incentives to occupy old shopping centers	Land Use
County Wide	3	Lonnie Hamilton	Commercial area, new development have high taxes to occupy wooded areas	Land Use
County Wide	3	Lonnie Hamilton	Uniform comprehensive plan for entire county	Land Use
County Wide	3	Lonnie Hamilton	Is there a demand for all the new development?	Land Use
County Wide	3	Lonnie Hamilton	Use abandoned shopping centers as recreation centers for children	Land Use
County Wide	3	Lonnie Hamilton	Limit growth	Land Use
Johns and Wadmalaw Islands	8	St. John's H.S.	More recreation, and less housing and cluster housing	Land Use
Johns and Wadmalaw Islands	8	St. John's H.S.	Strict control on development on Wadmalaw especially	Land Use
Johns and Wadmalaw Islands	8	St. John's H.S.	Keep Wadmalaw rural	Land Use
Johns and Wadmalaw Islands	8	St. John's H.S.	Leave the zoning alone on Wadmalaw	Land Use
Johns and Wadmalaw Islands	6	St. John's H.S.	Control growth in areas of high sensitivity - environmentally sensitive areas (Wadmalaw, Johns Isl.)	Land Use
Johns and Wadmalaw Islands	6	St. John's H.S.	Keep rural areas rural	Land Use
Johns and Wadmalaw Islands	6	St. John's H.S.	Plan roads to disburse traffic so it doesn't funnel to same areas	Land Use
Johns and Wadmalaw Islands	6	St. John's H.S.	For all development a strong focus on architectural and ecological quality	Land Use
Johns and Wadmalaw Islands	6	St. John's H.S.	Maintain UDO standards as they are	Land Use

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
Johns and Wadmalaw Islands	6	St. John's H.S.	Plans for growth must take into account quality of life - more is not necessarily better	Land Use
Johns and Wadmalaw Islands	1	St. John's H.S.	Develop intensely where appropriate	Land Use
Johns and Wadmalaw Islands	1	St. John's H.S.	Hold firm to the Urban Growth Boundary	Land Use
Johns and Wadmalaw Islands	1	St. John's H.S.	More sidewalks/biker and pedestrian friendly	Land Use
Johns and Wadmalaw Islands	1	St. John's H.S.	Property owners allowed to grow commercial along Maybank Hwy	Land Use
Johns and Wadmalaw Islands	1	St. John's H.S.	Stop sprawl growth	Land Use
Johns and Wadmalaw Islands	7	St. John's H.S.	Keep Johns Island as is - no more development	Land Use
Johns and Wadmalaw Islands	7	St. John's H.S.	Preserve Island Character (large fines for tree violations)	Land Use
Johns and Wadmalaw Islands	7	St. John's H.S.	Don't allow City of Charleston to annex, density exceeds ideal coverage	Land Use
Johns and Wadmalaw Islands	7	St. John's H.S.	Keep city zoning same as county	Land Use
Johns and Wadmalaw Islands	7	St. John's H.S.	Require developer to put money into fund (impact fees) for infrastructure	Land Use
Johns and Wadmalaw Islands	7	St. John's H.S.	No PUD's with excessive lot coverage (do not want lots of houses) ie. Liberia Road should not be allowed to subdivide in lot sizes smaller than what's allowed by zoning districts	Land Use
Johns and Wadmalaw Islands	7	St. John's H.S.	Limited residential development	Land Use
Johns and Wadmalaw Islands	7	St. John's H.S.	Revitalize Brown spaces ie., Magnolia site - use old industrial sites	Land Use
Johns and Wadmalaw Islands	7	St. John's H.S.	Maintain current urban growth boundaries and service provision - ie., sewer, water, etc.	Land Use
Johns and Wadmalaw Islands	7	St. John's H.S.	Have universal zoning for entire Johns Island	Land Use
Johns and Wadmalaw Islands	3	St. John's H.S.	Protect farming and agriculture infrastructure 60% rural, 40% developed	Land Use
Johns and Wadmalaw Islands	3	St. John's H.S.	Listen to the people who live here and do not destroy the unique rural agricultural assets	Land Use
Johns and Wadmalaw Islands	3	St. John's H.S.	Too easy to rezone and develop agriculture, timber and green belt land at higher densities	Land Use
Johns and Wadmalaw Islands	3	St. John's H.S.	Better annexation laws	Land Use
Johns and Wadmalaw Islands	3	St. John's H.S.	Freeze property taxes until property is sold	Land Use
Johns and Wadmalaw Islands	3	St. John's H.S.	Preservation of open spaces and farm land through easements and set-asides	Land Use
Johns and Wadmalaw Islands	3	St. John's H.S.	Manage growth through upholding zoning	Land Use
Johns and Wadmalaw Islands	3	St. John's H.S.	Provide for growth in a rural setting	Land Use
Johns and Wadmalaw Islands	4	St. John's H.S.	Control and restrict growth	Land Use
Johns and Wadmalaw Islands	4	St. John's H.S.	Maintain rural area	Land Use
Johns and Wadmalaw Islands	4	St. John's H.S.	Minimize destruction of green space	Land Use
Johns and Wadmalaw Islands	4	St. John's H.S.	Manage existing permitted/developments/projects	Land Use
Johns and Wadmalaw Islands	4	St. John's H.S.	Keep Johns Island and Wadmalaw rural	Land Use
Johns and Wadmalaw Islands	2	St. John's H.S.	More river access	Land Use

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
Johns and Wadmalaw Islands	2	St. John's H.S.	Restrictive building to large developments	Land Use
Johns and Wadmalaw Islands	2	St. John's H.S.	Publicize development - Notices	Land Use
Johns and Wadmalaw Islands	2	St. John's H.S.	Respect urban growth boundary line	Land Use
Johns and Wadmalaw Islands	2	St. John's H.S.	Limit heavy industrial development	Land Use
Johns and Wadmalaw Islands	2	St. John's H.S.	Better land enforcement	Land Use
Johns and Wadmalaw Islands	5	St. John's H.S.	Keep Johns Island rural	Land Use
Johns and Wadmalaw Islands	5	St. John's H.S.	Consider low density development for the rural nature of Johns Island	Land Use
Johns and Wadmalaw Islands	5	St. John's H.S.	Cease development on Johns Island	Land Use
Johns and Wadmalaw Islands	5	St. John's H.S.	Ensure the rural nature of Johns Island	Land Use
Johns and Wadmalaw Islands	5	St. John's H.S.	Within a regional plan emphasize neighborhood independence	Land Use
Johns and Wadmalaw Islands	2	St. John's H.S.	Detailed planning	Land Use
Johns and Wadmalaw Islands	2	St. John's H.S.	Control growth so the infrastructure can stay in tune	Land Use
Johns and Wadmalaw Islands	2	St. John's H.S.	Maintain agricultural integrity of Wadmalaw Island	Land Use
Johns and Wadmalaw Islands	2	St. John's H.S.	Control city growth	Land Use
Johns and Wadmalaw Islands	2	St. John's H.S.	Limit development	Land Use
Johns and Wadmalaw Islands	5	St. John's H.S.	Percentages of green space	Land Use
Johns and Wadmalaw Islands	5	St. John's H.S.	Do not turn Johns Island into James Island	Land Use
Johns and Wadmalaw Islands	5	St. John's H.S.	Focus development within the urban growth boundary	Land Use
Johns and Wadmalaw Islands	5	St. John's H.S.	Moratorium on growth	Land Use
Johns and Wadmalaw Islands	5	St. John's H.S.	Restricted buildings around water	Land Use
East Cooper Area	1	Wando H.S.	Infrastructure to preserve appropriate rural character and quality of life	Land Use
East Cooper Area	1	Wando H.S.	More regard for heirs property owners	Land Use
East Cooper Area	1	Wando H.S.	Maintain rural character and associated natural resource values of the area	Land Use
East Cooper Area	1	Wando H.S.	Less interference w/ land use	Land Use
East Cooper Area	1	Wando H.S.	Preserve historic rural communities and settlement areas and associated quality of life for the residents	Land Use
East Cooper Area	1	Wando H.S.	Individual landowners need to maintain their rights as landowners to distribute or divide their property to other individuals	Land Use
East Cooper Area	7	Wando H.S.	Protect the national forest and wildlife refuge by stopping public water and sewer systems leading to high density growth	Land Use
East Cooper Area	7	Wando H.S.	Make areas where residents can live, shop, work in one place. Create density?	Land Use
East Cooper Area	7	Wando H.S.	Provide more direction of where growth happens with respect to public and private lands	Land Use
East Cooper Area	7	Wando H.S.	Limit high density growth	Land Use
East Cooper Area	7	Wando H.S.	Lower taxes to help preserve rural areas	Land Use
East Cooper Area	5	Wando H.S.	Consolidating population so we don't have urban sprawl and protect the natural environment	Land Use
East Cooper Area	5	Wando H.S.	Develop rural areas in the county	Land Use

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
East Cooper Area	5	Wando H.S.	Establish special zoning areas for the Gullah-Geechee corridor so it won't get over developed. County plan with municipalities so it won't change.	Land Use
East Cooper Area	5	Wando H.S.	All amenities provided locally such as grocery, libraries, etc. so people do not have to depend on travel	Land Use
East Cooper Area	5	Wando H.S.	Self contained development that avoids sprawl	Land Use
East Cooper Area	5	Wando H.S.	Require if a large area is to be developed that the infrastructure to support it be in place: fire, water, security, waste management, education, or developer fund it	Land Use
East Cooper Area	5	Wando H.S.	Don't cluster zoning within the old communities - changes character of the old community	Land Use
East Cooper Area	5	Wando H.S.	Build smaller schools located in neighborhoods that are easier to get to - that have integrated academics and technical/trade programs	Land Use
East Cooper Area	6	Wando H.S.	Limit density in rural areas	Land Use
East Cooper Area	6	Wando H.S.	Limit commercial and residential areas	Land Use
East Cooper Area	6	Wando H.S.	Allow development only when infrastructure (roads, schools, sewer) is in place	Land Use
East Cooper Area	6	Wando H.S.	Housing density no more than 3 homes/acre	Land Use
East Cooper Area	6	Wando H.S.	Protect private property rights	Land Use
East Cooper Area	6	Wando H.S.	Promote human rights over private property rights	Land Use
East Cooper Area	6	Wando H.S.	Promote sustainable building and development	Land Use
East Cooper Area	6	Wando H.S.	Plan for high density development	Land Use
East Cooper Area	6	Wando H.S.	Enforce rural zoning around Cape Romain and Francis National Forest	Land Use
East Cooper Area	8	Wando H.S.	Sustainable living "Take care of us first" From Wando River up needs economic development	Land Use
East Cooper Area	8	Wando H.S.	Safe right of way system	Land Use
East Cooper Area	8	Wando H.S.	Interconnect all new subdivision (roads)	Land Use
East Cooper Area	9	Wando H.S.	Quality architecture residential	Land Use
East Cooper Area	9	Wando H.S.	Rehabilitate vacant buildings - big box - commercial	Land Use
East Cooper Area	9	Wando H.S.	Provide incentives to limit sprawl - maintain fabric of existing height	Land Use
East Cooper Area	9	Wando H.S.	Strive for owner occupied resid. Units	Land Use
East Cooper Area	9	Wando H.S.	Commercial on Hwy 17	Land Use
East Cooper Area	9	Wando H.S.	Multi-family in rural areas	Land Use
East Cooper Area	9	Wando H.S.	Control growth and urban sprawl	Land Use
East Cooper Area	9	Wando H.S.	Promote green building	Land Use
East Cooper Area	9	Wando H.S.	Sustainable development	Land Use
East Cooper Area	9	Wando H.S.	Concern for density in rural areas	Land Use
East Cooper Area	9	Wando H.S.	Mixed use communities with parks (self-contained)	Land Use
East Cooper Area	9	Wando H.S.	Quality public space/open space	Land Use
East Cooper Area	9	Wando H.S.	Work where you live by providing economic growth and development	Land Use

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
East Cooper Area	9	Wando H.S.	Retain farms - food to table	Land Use
East Cooper Area	4	Wando H.S.	Include green spaces in all growth plans	Land Use
East Cooper Area	4	Wando H.S.	Sidewalks in unincorporated areas of McClellanville	Land Use
East Cooper Area	3	Wando H.S.	Stop urban sprawl	Land Use
East Cooper Area	3	Wando H.S.	No more new coal plants	Land Use
East Cooper Area	3	Wando H.S.	More grocery stores	Land Use
East Cooper Area	2	Wando H.S.	Overlay area of McClellanville	Land Use
East Cooper Area	2	Wando H.S.	Control growth	Land Use

East Cooper Area	5	Wando H.S.	Establish special zoning areas for the Gullah-Geechee corridor so it won't get over developed. County plan with municipalities so it won't change	Municipal Coordination
Central/Urban Area	4	West Ashley H.S.	County working better with municipalities	Municipal Coordination
Central/Urban Area	7	West Ashley H.S.	Better planning communication between governments (co and city)	Municipal Coordination
County Wide	4	Lonnie Hamilton	Better communication/coordination/cooperation with municipalities.	Municipal Coordination
County Wide	2	Lonnie Hamilton	Do more with municipal coordination-one stop shopping.	Municipal Coordination
West County/Edisto Island	1	Edisto	Create co-op relationship w/ municipalities and respect zoning of others	Municipal Coordination

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
West County/Edisto Island	1	Edisto	Smooth transition w/ zoning and land use between municipalities	Municipal Coordination
East Cooper Area	6	Wando H.S.	Provide coordination on land use between the county and municipalities	Municipal Coordination
East Cooper Area	8	Wando H.S.	Inter government coordination	Municipal Coordination
West County/Edisto Island	2	Edisto	Protect coastline	Natural Resources
West County/Edisto Island	2	Edisto	Preserve rural areas	Natural Resources
West County/Edisto Island	2	Edisto	Promote green space	Natural Resources
West County/Edisto Island	1	Edisto	Keep development in existing plan - preserve agricultural land	Natural Resources
West County/Edisto Island	1	Edisto	Work on buying up development rights	Natural Resources
West County/Edisto Island	1	Edisto	Be mindful of long time property owners - preserve scenic nature	Natural Resources
West County/Edisto Island	1	Edisto	Protect and preserve water quality	Natural Resources
West County/Edisto Island	1	Edisto	Do not allow the city to pump the Edisto dry	Natural Resources
West County/Edisto Island	1	Edisto	Protect and expand ACE Basin	Natural Resources
West County/Edisto Island	1	Edisto	Protect and preserve agricultural preservation district	Natural Resources
West County/Edisto Island	3	Edisto	Strict regulations converting timberland to development, not on tree farms	Natural Resources
West County/Edisto Island	3	Edisto	Preserve land for parks so people have water access and access to natural areas	Natural Resources
West County/Edisto Island	4	Edisto	Preserve plantations, protect oaks, and limit and/or disguise cell towers	Natural Resources
West County/Edisto Island	4	Edisto	Continue to protect and preserve the ACE Basin and waterways by activating quarterly river and road sweeps	Natural Resources
West County/Edisto Island	4	Edisto	Provide highest water quality and limit docks and lengths of docks	Natural Resources
West County/Edisto Island	4	Edisto	Preservation of existing rural, scenic and marine, characteristics of Charleston County	Natural Resources
West County/Edisto Island	4	Edisto	Maintain trees and create more greenspace	Natural Resources
West County/Edisto Island	4	Edisto	More respect for natural resources, heritage landscapes and environment	Natural Resources
West County/Edisto Island	4	Edisto	Restrict over population of areas and coastal marsh areas	Natural Resources
West County/Edisto Island	5	Edisto	Maintain existing greenspace maybe even add to existing and protect the waterways	Natural Resources
West County/Edisto Island	5	Edisto	Interconnecting greenways and bike paths	Natural Resources
County Wide	4	Lonnie Hamilton	Increased green space	Natural Resources
County Wide	2	Lonnie Hamilton	Plan and create more green belts/green areas	Natural Resources
County Wide	5	Lonnie Hamilton	Maintain beaches and waterways and smaller parks with basketball nets.	Natural Resources
Johns and Wadmalaw Islands	8	St. John's H.S.	Protect the environment from pollution, trash, etc.	Natural Resources
Johns and Wadmalaw Islands	6	St. John's H.S.	Control growth in areas of high sensitivity - environmentally sensitive areas (Wadmalaw, Johns Island)	Natural Resources
Johns and Wadmalaw Islands	6	St. John's H.S.	Conservation and restoration of our beaches	Natural Resources

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
Johns and Wadmalaw Islands	6	St. John's H.S.	Protect our waterways, trees and landscapes	Natural Resources
Johns and Wadmalaw Islands	6	St. John's H.S.	For all development a strong focus on architectural and ecological quality	Natural Resources
Johns and Wadmalaw Islands	6	St. John's H.S.	Provide access to our natural resources	Natural Resources
Johns and Wadmalaw Islands	6	St. John's H.S.	Set aside space for nature preserves	Natural Resources
Johns and Wadmalaw Islands	1	St. John's H.S.	Comprehensive plan for environmental protection	Natural Resources
Johns and Wadmalaw Islands	7	St. John's H.S.	Preserve Is. Character (large fines for tree violations)	Natural Resources
Johns and Wadmalaw Islands	7	St. John's H.S.	Honor what makes Johns Island unique - marsh, trees, vista, etc.	Natural Resources
Johns and Wadmalaw Islands	7	St. John's H.S.	Preserve and replant avenue of trees (live oaks)	Natural Resources
Johns and Wadmalaw Islands	7	St. John's H.S.	Preserve open space for wildlife	Natural Resources
Johns and Wadmalaw Islands	7	St. John's H.S.	Do not destroy or build on wetlands	Natural Resources
Johns and Wadmalaw Islands	3	St. John's H.S.	Preservation of open spaces and farm land through easements and set-asides	Natural Resources
Johns and Wadmalaw Islands	3	St. John's H.S.	Preserve and protect water and marsh views	Natural Resources
Johns and Wadmalaw Islands	4	St. John's H.S.	Protect natural environment for water, animals	Natural Resources
Johns and Wadmalaw Islands	4	St. John's H.S.	Minimize destruction of green space	Natural Resources
Johns and Wadmalaw Islands	4	St. John's H.S.	Control hunting to protect neighborhoods	Natural Resources
Johns and Wadmalaw Islands	2	St. John's H.S.	More river access	Natural Resources
Johns and Wadmalaw Islands	2	St. John's H.S.	Better tree protection and preservation. Increase tree fines in graveyards	Natural Resources
Johns and Wadmalaw Islands	2	St. John's H.S.	Care for live oaks on scenic highway, county to take responsibility	Natural Resources
Johns and Wadmalaw Islands	5	St. John's H.S.	Pay attention to landscape ecology of Johns Island	Natural Resources
Johns and Wadmalaw Islands	5	St. John's H.S.	Protecting wetlands with no development on wetlands	Natural Resources
Johns and Wadmalaw Islands	2	St. John's H.S.	Nature preserves	Natural Resources
Johns and Wadmalaw Islands	5	St. John's H.S.	Percentages of green space	Natural Resources
Johns and Wadmalaw Islands	5	St. John's H.S.	Encourage forestry in rural area	Natural Resources
Johns and Wadmalaw Islands	?	St. John's H.S.	Restricted buildings around water	Natural Resources
Johns and Wadmalaw Islands	?	St. John's H.S.	More public - trails and greenspace	Natural Resources
East Cooper Area	1	Wando H.S.	Maintain rural character and associated natural resource values of the area	Natural Resources
East Cooper Area	1	Wando H.S.	Enhance the quality of life by better water and sewer management while preserving the natural resource value of the area	Natural Resources
East Cooper Area	7	Wando H.S.	Protect the national forest and wildlife refugees by stopping public water and sewer systems leading to high density growth	Natural Resources
East Cooper Area	7	Wando H.S.	More insight on the environment	Natural Resources
East Cooper Area	7	Wando H.S.	Make a transportation plan that respects the water feature and environment	Natural Resources
East Cooper Area	5	Wando H.S.	Consolidating population so we don't have urban sprawl and protect the natural environment	Natural Resources
East Cooper Area	6	Wando H.S.	Protect natural resources	Natural Resources

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
East Cooper Area	6	Wando H.S.	Allow tree farmers and harvest trees in exemptions to tree ordinance	Natural Resources
East Cooper Area	6	Wando H.S.	No sewer through the national forest or outside of the UGB (urban growth boundary)	Natural Resources
East Cooper Area	6	Wando H.S.	Promote sustainable building and development	Natural Resources
East Cooper Area	8	Wando H.S.	Responsible use of resources, use of alternate energy sources "Green Technology"	Natural Resources
East Cooper Area	8	Wando H.S.	Preserve environment areas "Cape Romain Forest", etc.	Natural Resources
East Cooper Area	8	Wando H.S.	Form a co-op to monitor septic system and for the community and wells	Natural Resources
East Cooper Area	9	Wando H.S.	Retain farms - food to table	Natural Resources
East Cooper Area	9	Wando H.S.	Protect wetlands	Natural Resources
East Cooper Area	4	Wando H.S.	Protect rural heritage and natural resources through smart planning	Natural Resources
East Cooper Area	3	Wando H.S.	Stop selling the forest	Natural Resources
East Cooper Area	3	Wando H.S.	Pollution control - air, water	Natural Resources
Central/Urban Area	2	West Ashley H.S.	Preserve natural resources and density within the core	Natural Resources
Central/Urban Area	2	West Ashley H.S.	Lead development through conservation	Natural Resources
Central/Urban Area	2	West Ashley H.S.	Stop building on riverfronts	Natural Resources
Central/Urban Area	2	West Ashley H.S.	Buffers around waterways	Natural Resources
Central/Urban Area	2	West Ashley H.S.	Clean up Rivers Ave. area	Natural Resources
Central/Urban Area	4	West Ashley H.S.	Avoid developing marsh land	Natural Resources
Central/Urban Area	4	West Ashley H.S.	Leave swamp and wetland areas alone	Natural Resources
Central/Urban Area	3	West Ashley H.S.	Protect natural and cultural resources balancing development and the qualities that make the region unique	Natural Resources
Central/Urban Area	7	West Ashley H.S.	Green belts and transportation link	Natural Resources
Central/Urban Area	7	West Ashley H.S.	Grants/more trees	Natural Resources
West County/Edisto Island	2	Edisto	Look at strategy for growth in population	Population
West County/Edisto Island	3	Edisto	Control growth of population, no more than 1 house per 5 acres	Population
Johns and Wadmalaw Islands	4	St. John's H.S.	Senior living complexes - need more	Population
Johns and Wadmalaw Islands	4	St. John's H.S.	Knowledge of demographics	Population
Johns and Wadmalaw Islands	4	St. John's H.S.	Keep current population	Population
East Cooper Area	5	Wando H.S.	Property taxes for senior citizens	Population
West County/Edisto Island	1	Edisto	Transportation plan - evacuation route, mini maize congestion	Transportation
East Cooper Area	4	Wando H.S.	Bike and walking paths	Transportation
West County/Edisto Island	2	Edisto	TOD developments (Transit Oriented Developments)	Transportation
West County/Edisto Island	2	Edisto	New technologies for transportation and Community Services & Facilities	Transportation
West County/Edisto Island	2	Edisto	Mass transportation	Transportation
West County/Edisto Island	2	Edisto	More transportation access and more routes	Transportation

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
West County/Edisto Island	1	Edisto	Transportation plan - evacuation route, mini maize congestion	Transportation
West County/Edisto Island	1	Edisto	Safe roads with wide shoulders	Transportation
West County/Edisto Island	1	Edisto	Bus route to Charleston	Transportation
West County/Edisto Island	1	Edisto	Do not widen Hwy 174 - save scenic corridor	Transportation
West County/Edisto Island	3	Edisto	Protect the scenic route of 174	Transportation
West County/Edisto Island	3	Edisto	Encourage flex time within large companies to help control traffic	Transportation
West County/Edisto Island	3	Edisto	Public transportation alternatives	Transportation
West County/Edisto Island	3	Edisto	Safety of 174 and traffic control	Transportation
West County/Edisto Island	3	Edisto	Preserve dirt roads	Transportation
West County/Edisto Island	4	Edisto	More modern transportation system	Transportation
West County/Edisto Island	5	Edisto	Interconnecting greenways and bike paths	Transportation
West County/Edisto Island	5	Edisto	More attention to the sand roads, better maintenance	Transportation
County Wide	4	Lonnie Hamilton	Convenient mass transit	Transportation
County Wide	4	Lonnie Hamilton	Tri-county transit system	Transportation
County Wide	4	Lonnie Hamilton	More bike and pedestrian paths	Transportation
County Wide	4	Lonnie Hamilton	Control traffic-cars, busses, people, bikes	Transportation
County Wide	4	Lonnie Hamilton	No SUVs or Hummers	Transportation
County Wide	2	Lonnie Hamilton	Plan smarter, have haphazard road system needs to be improved	Transportation
County Wide	2	Lonnie Hamilton	Public transportation-offer incentives to businesses whose employees use public transportation	Transportation
County Wide	2	Lonnie Hamilton	Flex time for jobs, everyone coming to work at the same times.	Transportation
County Wide	2	Lonnie Hamilton	Transportation-roads deadly, accidents daily	Transportation
County Wide	5	Lonnie Hamilton	Urban sprawl, address transportation	Transportation
County Wide	5	Lonnie Hamilton	Relieve traffic congestion (especially Highway 61). Sidewalks to walk children to school. Affordable housing and more affordable home insurance.	Transportation
County Wide	5	Lonnie Hamilton	Mass transit to relieve traffic, buses and railway	Transportation
County Wide	5	Lonnie Hamilton	Safety of transportation with shoulders, etc. Strong business district in certain area to help traffic	Transportation
County Wide	5	Lonnie Hamilton	In roads and projects on planning board, think ahead 20 years for where to build and future roadway	Transportation
County Wide	3	Lonnie Hamilton	Rail service	Transportation
County Wide	3	Lonnie Hamilton	Express bus service	Transportation
County Wide	3	Lonnie Hamilton	Truck lanes-interstate exclusive	Transportation
Johns and Wadmalaw Islands	8	St. John's H.S.	Better public transportation	Transportation
Johns and Wadmalaw Islands	8	St. John's H.S.	Stop basing everything on automobiles - walking, biking	Transportation
Johns and Wadmalaw Islands	8	St. John's H.S.	High speed transit	Transportation
Johns and Wadmalaw Islands	8	St. John's H.S.	To look at public transportation as something for the public (ie. Firefighters and cops) and not as something to make a profit from	Transportation

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
Johns and Wadmalaw Islands	8	St. John's H.S.	New thoroughfares so the existing roads can remain rural	Transportation
Johns and Wadmalaw Islands	8	St. John's H.S.	Making roads safer by enforcing speed limits and putting cameras on the traffic lights	Transportation
Johns and Wadmalaw Islands	8	St. John's H.S.	Making roads safer by removing dead or damaged trees	Transportation
Johns and Wadmalaw Islands	8	St. John's H.S.	Maintain traffic flow and limit commercial congestion	Transportation
Johns and Wadmalaw Islands	6	St. John's H.S.	Improve public transportation	Transportation
Johns and Wadmalaw Islands	6	St. John's H.S.	Plan roads to disburse traffic so it doesn't funnel to same areas	Transportation
Johns and Wadmalaw Islands	6	St. John's H.S.	Substantial increase in traffic enforcement	Transportation
Johns and Wadmalaw Islands	6	St. John's H.S.	Park and ride	Transportation
Johns and Wadmalaw Islands	6	St. John's H.S.	Improve the safety aspects of existing roadways	Transportation
Johns and Wadmalaw Islands	1	St. John's H.S.	Good public transportation system	Transportation
Johns and Wadmalaw Islands	1	St. John's H.S.	More bridges for evacuation routes	Transportation
Johns and Wadmalaw Islands	1	St. John's H.S.	No I-526 thru Johns Island	Transportation
Johns and Wadmalaw Islands	1	St. John's H.S.	Local Johns Island/Wadmalaw area transit system (free)	Transportation
Johns and Wadmalaw Islands	1	St. John's H.S.	More sidewalks/biker and pedestrian friendly	Transportation
Johns and Wadmalaw Islands	1	St. John's H.S.	Improve traffic flow on Maybank Hwy and River Road and Main Road at Hwy 17	Transportation
Johns and Wadmalaw Islands	1	St. John's H.S.	Cross Island Pkwy	Transportation
Johns and Wadmalaw Islands	7	St. John's H.S.	Increase buffer for roadways and enforce litter laws. Visual buffer (veg. Buffer)	Transportation
Johns and Wadmalaw Islands	7	St. John's H.S.	Finish I-526	Transportation
Johns and Wadmalaw Islands	7	St. John's H.S.	Very few new roads	Transportation
Johns and Wadmalaw Islands	7	St. John's H.S.	Improve transportation planning and address impact development has on transportation	Transportation
Johns and Wadmalaw Islands	7	St. John's H.S.	Address and improve existing traffic back up. Don't finish I-526	Transportation
Johns and Wadmalaw Islands	7	St. John's H.S.	Preserve Wadmalaw and Johns Is. By not widening roads (Bohicket, Main, River, Maybank, Shiscton, Bears Bluff)	Transportation
Johns and Wadmalaw Islands	3	St. John's H.S.	Roads, proper planning and traffic control	Transportation
Johns and Wadmalaw Islands	3	St. John's H.S.	Public transportation	Transportation
Johns and Wadmalaw Islands	3	St. John's H.S.	Road design in keeping with rural nature interconnected, no mega roads	Transportation
Johns and Wadmalaw Islands	3	St. John's H.S.	Pedestrian walkways, bike paths	Transportation
Johns and Wadmalaw Islands	3	St. John's H.S.	Improve the safety of the rural roads	Transportation
Johns and Wadmalaw Islands	4	St. John's H.S.	Traffic/better planning for roads	Transportation
Johns and Wadmalaw Islands	4	St. John's H.S.	I-526 through	Transportation
Johns and Wadmalaw Islands	4	St. John's H.S.	Public transportation on Wadmalaw	Transportation
Johns and Wadmalaw Islands	4	St. John's H.S.	Mass transit	Transportation
Johns and Wadmalaw Islands	4	St. John's H.S.	Improve existing roads	Transportation
Johns and Wadmalaw Islands	4	St. John's H.S.	Build new roads, where needed	Transportation
Johns and Wadmalaw Islands	5	St. John's H.S.	Road access	Transportation

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
Johns and Wadmalaw Islands	5	St. John's H.S.	Regional roads traffic safety, better lighting on the roads	Transportation
Johns and Wadmalaw Islands	2	St. John's H.S.	Creative design for transportation to make it compatible with the rural environment	Transportation
Johns and Wadmalaw Islands	2	St. John's H.S.	No major highways, just make improvements	Transportation
Johns and Wadmalaw Islands	5	St. John's H.S.	Good mass transit that does not involve roads (light rail, mono rail)	Transportation
Johns and Wadmalaw Islands	5	St. John's H.S.	More integrated mass transit routes	Transportation
Johns and Wadmalaw Islands	5	St. John's H.S.	No I-526 extension	Transportation
Johns and Wadmalaw Islands	5	St. John's H.S.	Traffic due to expansion	Transportation
Johns and Wadmalaw Islands	5	St. John's H.S.	More bike connected by pedestrian	Transportation
Johns and Wadmalaw Islands	5	St. John's H.S.	More effective public transportation	Transportation
Johns and Wadmalaw Islands	5	St. John's H.S.	Promote locals to be tourist - provide convenient access	Transportation
Johns and Wadmalaw Islands	5	St. John's H.S.	I know the city has plans for bike paths. I think those are very important as more people have been using bikes to commute and should not be put on the back burner.	Transportation
East Cooper Area	1	Wando H.S.	Better roads and ditch cleaning	Transportation
East Cooper Area	1	Wando H.S.	Better roads and ditch cleaning	Transportation
East Cooper Area	1	Wando H.S.	Transportation in rural areas	Transportation
East Cooper Area	7	Wando H.S.	Effect mass transit	Transportation
East Cooper Area	7	Wando H.S.	Make a transportation plan that respects the water feature and environment	Transportation
East Cooper Area	5	Wando H.S.	Better highways 526 North to Park West not feasible to get anywhere in a reasonable time	Transportation
East Cooper Area	5	Wando H.S.	Law to maintain the roads. Need to maintain highways	Transportation
East Cooper Area	5	Wando H.S.	Law to maintain the roads. Need to maintain highways	Transportation
East Cooper Area	5	Wando H.S.	Improve access to public transportation and a better public transportation network	Transportation
East Cooper Area	6	Wando H.S.	Improve roadways and transportation (traffic congestion)	Transportation
East Cooper Area	6	Wando H.S.	Maintain ditches	Transportation
East Cooper Area	6	Wando H.S.	Improve pavement maintenance on older roads	Transportation
East Cooper Area	6	Wando H.S.	Bring all county roads up to standard	Transportation
East Cooper Area	6	Wando H.S.	Make all new roads bikers and pedestrians friendly	Transportation
East Cooper Area	8	Wando H.S.	Transportation improvements - sidewalks	Transportation
East Cooper Area	8	Wando H.S.	Community recreation centers - Bike path	Transportation
East Cooper Area	8	Wando H.S.	Improve county roads and drainage rural	Transportation
East Cooper Area	8	Wando H.S.	Mass transit	Transportation
East Cooper Area	8	Wando H.S.	Public trans. Bus improvement	Transportation
East Cooper Area	8	Wando H.S.	Safe right of way system	Transportation
East Cooper Area	8	Wando H.S.	Interconnect all new subdivision (roads)	Transportation
East Cooper Area	9	Wando H.S.	Expressway and road maint. In Mt. Pleasant	Transportation
East Cooper Area	9	Wando H.S.	Better pedestrian infrastructure and bicycles	Transportation

PLANNING AREA	GROUP	LOCATION	IDEA	CATEGORY
East Cooper Area	9	Wando H.S.	Better road connectivity and access	Transportation
East Cooper Area	9	Wando H.S.	Better access	Transportation
East Cooper Area	9	Wando H.S.	Public transportation (lt. Rail)	Transportation
East Cooper Area	9	Wando H.S.	Maximize rail and minimize trucks for the port	Transportation
East Cooper Area	4	Wando H.S.	Better and smarter transportation - no gas guzzlers	Transportation
East Cooper Area	4	Wando H.S.	Bike and walking paths	Transportation
East Cooper Area	4	Wando H.S.	Rest areas for trailers	Transportation
East Cooper Area	4	Wando H.S.	Cleaner streets and repair roads	Transportation
East Cooper Area	4	Wando H.S.	Wider streets. Remove trees out of street	Transportation
East Cooper Area	3	Wando H.S.	Better roads	Transportation
East Cooper Area	3	Wando H.S.	Public transportation (buses - alternative)	Transportation
East Cooper Area	3	Wando H.S.	Street lights and stop lights	Transportation
East Cooper Area	3	Wando H.S.	Port expansion/transportation issues - rail system	Transportation
East Cooper Area	2	Wando H.S.	Improve roads	Transportation
East Cooper Area	2	Wando H.S.	Improve transportation for senior citizens	Transportation
Central/Urban Area	2	West Ashley H.S.	Continue expansion of bikeways	Transportation
Central/Urban Area	2	West Ashley H.S.	Complete public transportation with trains buses, bicycle paths	Transportation
Central/Urban Area	2	West Ashley H.S.	Cross walks	Transportation
Central/Urban Area	2	West Ashley H.S.	Decrease road construction	Transportation
Central/Urban Area	2	West Ashley H.S.	Promote connectivity	Transportation
Central/Urban Area	2	West Ashley H.S.	Handicap access on sidewalks	Transportation
Central/Urban Area	4	West Ashley H.S.	Designing better planning of road and other infrastructure	Transportation
Central/Urban Area	4	West Ashley H.S.	Environ focus design inclusive of bike and pedestrian paths/ transportation	Transportation
Central/Urban Area	4	West Ashley H.S.	Complete 526 and McConnell Pkwy more cross streets. State and county involvement on maintenance of roads and bridges	Transportation
Central/Urban Area	4	West Ashley H.S.	Light rail transportation. Functional support for arterial roads	Transportation
Central/Urban Area	4	West Ashley H.S.	Hwy 61 flow expansion and safety concerns	Transportation
Central/Urban Area	4	West Ashley H.S.	Traffic roundabouts	Transportation
Central/Urban Area	3	West Ashley H.S.	Build new roads concurrent with housing and schools	Transportation
Central/Urban Area	3	West Ashley H.S.	Build new roads such as Glen McConnell	Transportation
Central/Urban Area	3	West Ashley H.S.	Transportation ; increase investment in public infrastructure and complete light rail	Transportation
Central/Urban Area	3	West Ashley H.S.	Walking and biking paths to where people live and where they need to go	Transportation
Central/Urban Area	7	West Ashley H.S.	Traffic flow better, intersections pedestrian better	Transportation
Central/Urban Area	7	West Ashley H.S.	Fix bridges and existing roads before new bridges and roads	Transportation
Central/Urban Area	7	West Ashley H.S.	Bike and pedestrian paths everywhere (off road)	Transportation
Central/Urban Area	7	West Ashley H.S.	Public transportation that people will use. Mass water transit	Transportation
Central/Urban Area	7	West Ashley H.S.	Sidewalks - retrofit existing sidewalks - new development sidewalks	Transportation
