**A RESOLUTION FOR THE ADOPTION OF THE REVISED CHARLESTON REGIONAL
HAZARD MITIGATION PLAN BY
THE TOWN OF LINCOLNVILLE, SOUTH CAROLINA**

Resolution No. 2008-1001

WHEREAS the Town of Lincolnville has experienced the effects of natural and man-made hazard events;
and

WHEREAS the Charleston Regional Hazard Mitigation Project Committee has prepared a recommended
Charleston Regional Hazard Mitigation Plan; and

WHEREAS the recommended *Charleston Regional Hazard Mitigation Plan* has been widely circulated
for review by residents/business organizations/professional organizations of the
unincorporated and incorporated areas of Charleston County, state, federal, regional and
local government agencies and has been supported by those reviewers; and

WHEREAS the Town of Lincolnville originally adopted the *Charleston Regional Hazard Mitigation Plan*
in 1999 and readopted it in 2004, and is required to adopt the amended version of this plan
on a five-year cycle for the Town to remain eligible for certain federal programs in which
the Town of Lincolnville participates, and

NOW THEREFORE be it resolved that

1. The *Charleston Regional Hazard Mitigation Plan* is hereby adopted as an official plan
of the Town of Lincolnville, and
2. The Charleston Regional Hazard Mitigation Project Committee is recognized as a
continuing entity charged with reviewing, maintaining in accordance with Community
Rating System, Flood Mitigation Assistance, and Disaster Mitigation Act requirements,
and periodically reporting on the progress towards and revisions to the plan to the
Town of Lincolnville Council.

Effective this 30th Day of September, 2008

Attest:

Mayor

Municipal Clerk

STATUS REPORT FOR THE TOWN OF LINCOLNVILLE, SC

Following are the proposed projects to be undertaken/continued in the Town of Lincolnvile for hazard mitigation during 2012-2013 and their status through April 2013:

(Abbreviations for "Type" are as follows: "PA" is Preventive Activities, "PP" is Property Protection Activities, "NB" is Natural and Beneficial Functions/Resource Preservation Activities, "ES" is Emergency Services Activities, "SP" is Structural Projects Activities, and "PI" is Public Information Activities, "GIS" is Geographic Information Systems Activities.)

<i>Type</i>	<i>Activity</i>	<i>Lead Agency</i>	<i>Funding Source</i>	<i>Goal(s) addressed</i>	Priority <i>(1 highest, 4 lowest)</i>	<i>Status</i>
PA	Continue enforcement of the International series Building-related and Fire codes and the floodplain management regulations.	Building Inspections	General Fund	Minimize future flood damage; minimize future earthquake damage; minimize future hurricane damage; protect the lives of our citizens from natural and man-made hazards	1	ongoing
PA	Continue to provide coordination storm water management for the Town through development and implementation of a comprehensive program. Enhance efforts through environmental educational activities.	Planning Public Works Building Services	General Fund	Minimize future flood damage; reduce existing flood damage; improve water quality; educating citizens regarding steps to take to reduce vulnerabilities; improve hazard resistance of infrastructure; reduce vulnerability of our infrastructure to natural and man-made hazards	1	ongoing
PA	Support the Community Wildfire Protection Plan by increasing awareness of the public through educational events provided by Project Impact with the purpose of improving the protection of all structures.	Building Inspections, Town Administration Charleston County Building Services/ Project Impact partners	General Fund	Minimize future wildfire damage; protect the lives of our citizens from natural and man-made hazards; educating citizens regarding steps to take to reduce vulnerabilities; improve hazard resistance of infrastructure; reduce vulnerability of our infrastructure to natural and man-made hazards	1	ongoing

PA	Continue enforcement of zoning regulations.	Planning, Town Administration	General Fund	Minimize future flood damage; preserve environmental resources; promote long-term economic prosperity; preserve open space; encourage recreational activities; minimize future hurricane damage; minimize future earthquake damage; protecting the lives of our citizens from natural and man-made hazards	1	ongoing
PA	Conduct or co-sponsor training workshops regarding the International Building-related, flood, and Fire Prevention Codes and Regulations if there is interest in these workshops	Charleston County Building Services	General Fund/self-supporting through workshop revenues	Educating citizens regarding vulnerability to natural hazards and steps to reduce vulnerability; minimize future flood damage; minimize future earthquake damage; improve hazard resistance of infrastructure; minimize hurricane damage	1	ongoing
PA	Continue providing information to citizens regarding the propane tank anchoring	Charleston County Building Services	General Fund/ Grant Funding	Educating citizens regarding vulnerability to natural hazards and steps to reduce vulnerability; minimize future flood damage; minimize future earthquake damage	2	ongoing
PA	Continue enforcing regulations requiring new manufactured homes brought into The Town of Lincolnville to be constructed to wind zone 2 requirements as required per State law.	Building Inspections, Town Administration	General Fund	Minimize future hurricane damages; protecting lives of citizens from natural and man-made hazards	1	ongoing
PA	Continue prohibiting new manufactured homes to be installed in "V" flood zones and requiring manufacture homes installed in "A" flood zones to be on permanent foundations.	Building Inspections, Town Administration	General Fund	Minimize future flood damage; minimize future earthquake damage; minimize future hurricane damage; protecting lives of citizens from natural and man-made hazards.	1	ongoing

PP	Promote the use of voluntary standards for single-family residences to exceed minimal building code requirements for wind and seismic design.	Building Inspections, Town Administration	General Fund/Grant Funding	Minimize future flood damage; minimize future earthquake damage; minimize future hurricane damage; preserve environmental resources; educating citizens regarding vulnerability to hazards and steps to reduce vulnerability	2	ongoing
PP	Promote standards for existing homes to be retrofitted to that exceed minimal codes.	Building Inspections, Town Administration	General Fund/Grant Funding	Reduce existing flood damage; preserve environmental resources; minimize future hurricane damages; minimize future earthquake damages; educating citizens regarding vulnerability to hazards and steps to reduce vulnerability	2	ongoing
PP	Continue providing information to citizens regarding hazard safe interior rooms	Charleston County Building Services	General Fund	Minimize future tornado-related loss of life; Educating citizens regarding vulnerability to hazards and steps which may reduce vulnerability	2	ongoing
PP	Distribute a brochure on protecting boats from damages during hurricanes to interested citizens through expos, offices, marinas, and boat dealers.	Charleston County Building Services	Grant Funding	Educating citizens regarding steps to take to reduce hazard vulnerability; minimize future hurricane damage; encourage recreational activities	3	ongoing
PP	Distribute a brochure on protecting and preserving historic artifacts to interested citizens through expos, government offices, etc.	Charleston County Building Services	Grant Funding	Educating citizens regarding steps to take to reduce hazard vulnerability; preserve historic building inventory; minimize future flood damage	2	ongoing
PP	Seek funding for retrofitting critical facilities to enhanced hazard resistance as needed if funding sources become available.	Town Administration	Grant Funding	Reduce vulnerability of infrastructure to natural and man-made hazards; minimize future hurricane damage; minimize future earthquake damage; reduce existing flood damage; preserve historic building inventory; promote long-term economic prosperity	1	ongoing

NB	Continue enforcement of the tree protection/landscaping ordinance	Planning, Town Administration	General Fund	Preserve environmental resources; promote long-term economic prosperity; encourage recreational activities	2	ongoing
NB	Continue maintaining permanent open space as parks	Parks and Recreation Commission	General Fund	Preserve environmental resources; promote long-term economic prosperity; encourage recreational activities; minimize future flood damages	2	ongoing
NB	Continue to distribute literature on riparian buffer zones and hazard resistant landscaping to citizens through government offices and at expos.	Charleston County Building Services	Partner donations/ Grant Funding	Educating citizens regarding vulnerability to hazards and steps to reduce vulnerability; minimize future flood damage; preserve environmental resources; improve water quality; improve hazard resistance of infrastructure; preserve open space; encourage recreational activities; minimize future hurricane damage	2	ongoing
ES	Continue hazardous material training	Charleston County Hazardous Materials Coordinator	Enterprise Fund	Protecting lives of our citizens from man-made hazards; minimize future hazardous materials incidents; preserve environmental resources; improve hazard resistance of infrastructure; assessing vulnerability to man-made hazards; establishing cooperative relationships between public, private and non-profit sectors to enhance response for hazard events.	1	ongoing

ES	Continue Terrorist Response Training	Charleston County Hazardous Materials Coordinator	General Fund	Protecting lives of our citizens from man-made hazards; minimize future terrorist activity incidents; preserve environmental resources; improve hazard resistance of infrastructure; assessing vulnerability to man-made hazards; establishing cooperative relationships between public, private and non-profit sectors to enhance response for hazard events; promote long-term economic prosperity.	1	ongoing
ES	Continue coordinating Emergency Operations Center activities in the event of a hazard event	Charleston County Emergency Preparedness	General Fund	Protecting lives of citizens from natural and man-made hazards; establishing cooperative relationships between public, private and non-profit sectors to enhance response for hazard events; educating citizens regarding vulnerability to hazards and steps to reduce vulnerability; preserve environmental resources; promote long-term economic prosperity	1	ongoing
ES	Continue responding to hazard emergencies	EMS, Fire Departments, Sheriff Department, Haz. Mat. Coordinator, Emergency Preparedness	General Fund Enterprise Fund	Protecting lives of citizens from natural and man-made hazards; establishing cooperative relationships between public, private and non-profit sectors to enhance response for hazard events; educating citizens regarding vulnerability to hazards and steps to reduce vulnerability; preserve environmental resources; preserve historic building inventory; promote long-term economic prosperity	1	ongoing

ES	Continue to require construction practices for new Town-owned critical facilities that are sensitive to flood zone (e.g. avoiding “A” and “V” flood zones where feasible) and seismic considerations.	Town Administration	General Fund Bond Funding	Protecting lives of citizens from natural and man-made hazards; reducing vulnerability of infrastructure and built-environment to hazards; minimize future flood damage; minimize future earthquake damage; minimize future hurricane damage	1	ongoing
ES	Evaluate existing Town-owned facilities for hazard resistance and retrofit facilities if needed where feasible.	Town Administration	General Fund/ Grant Funding/ Bond Funding	Protecting lives of citizens from natural and man-made hazards; reducing vulnerability of infrastructure and built-environment to hazards; minimize future flood damage; minimize future earthquake damage; minimize future hurricane damage	1	ongoing
ES	Continue working to attain resources and to provide training for maritime fire fighting through the Maritime Incident Response Team (MIRT).	Charleston County Hazardous Materials Coordinator	Grant Funding	Protecting the lives of citizens from man-made hazards; Establishing cooperative relationships between the public, private, and non-profit sectors to enhance preparedness and response for hazard events; Minimize future hazardous materials incidents; minimize future terrorist activity incidents; promote long-term economic prosperity	1	ongoing
ES	Continue coordinating the Anti- Terrorism Task Force of specially trained police, fire and EMS personnel to respond to terrorist acts.	Charleston County Hazardous Materials Coordinator	Grant Funding	Protecting lives of our citizens from man-made hazards; minimize future terrorist activity incidents; preserve environmental resources; improve hazard resistance of infrastructure; assessing vulnerability to man-made hazards; establishing cooperative relationships between public, private and non-profit sectors to enhance response for hazard events; promote long-term economic prosperity.	1	ongoing

SP	Continue a drainage maintenance and canal cleaning program	Town Administration	General Fund	Protect the lives of our citizens from natural hazards; reduce existing flood damage; minimize future flood damage; improve water quality; improve hazard resistance of infrastructure; promote long-term economic prosperity	1	ongoing
SP	Continue utility right of way permitting, considering emergency vehicle access and flood zone related issues in permitting decisions	Town Administration	General Fund	Protect the lives of our citizens from natural hazards; reduce existing flood damage; minimize future flood damage; improve hazard resistance of infrastructure; promote long-term economic prosperity	1	ongoing
SP	Continue the elevation reference mark inspection program	Town Administration	General Fund	Minimize future flood damage; Establishing cooperative relationships between public, private and non-profit sectors to enhance preparedness for hazards	1	ongoing
SP	Continue to coordinate with Charleston County regarding design, permitting, and construction services for the drainage projects defined in Attachment VI-C	Town Administration Assistant Administrator for Transportation & Public Works	Grant Funding General Fund	Protect the lives of our citizens from natural hazards; reduce existing flood damage; minimize future flood damage; improve water quality; improve hazard resistance of infrastructure; promote long-term economic prosperity	1	ongoing
SP	Continue the road repair/construction program, considering needs during evacuation and soil liquefaction potential in prioritization decisions	Charleston County Public Works Assistant Administrator for Transportation & Public Works	General Fund Grant Funding	Protect the lives of our citizens from natural hazards; reduce existing flood damage; minimize future flood damage; minimize future earthquake losses; improve hazard resistance of infrastructure; promote long-term economic prosperity	1	ongoing

SP	Design/elevate roadways being constructed or reworked through the ½ cent sales tax program to minimize flooding potential to the extent feasible. Identify those roads susceptible to flooding.	Assistant Administrator for Transportation & Public Works	Special Revenue Funding	Protect the lives of our citizens from natural hazards; reduce existing flood damage; minimize future flood damage; minimize future earthquake losses; improve hazard resistance of infrastructure; promote long-term economic prosperity	1	ongoing
SP	Continue to distribute a generator safety brochure to interested generator retail outlets, utility companies and the general public	Charleston County Building Services	Partner donations/ General Fund	Protecting the lives of citizens from natural and man-made hazards; educating citizens regarding vulnerability to natural hazards and steps to reduce vulnerability; improve hazard resistance of infrastructure; minimize future hurricane-related losses	2	ongoing
PI	Provide hazard related information to all residents of the Town through the AT&T telephone book	Charleston County Building Services	General Fund	Protecting the lives of citizens from natural hazards; reduce existing flood damage; minimize future flood damage; minimize future hurricane damage; educating citizens regarding their vulnerability to natural hazards and steps to take to reduce vulnerability	1	ongoing
PI	Continue providing hazard-related literature/information to citizens at Town offices	Town Administration	General Fund	Protecting the lives of citizens from natural hazards; educating citizens regarding their vulnerability to natural hazards and steps to take to reduce vulnerability; minimize future flood damage; minimize future earthquake damage; minimize future tornado-related loss of life; minimize future hurricane damage; minimize future terrorist activity incidents	2	ongoing

PI	Participate in “Hazard Awareness Week”.	Town Administration	General Fund	Protecting the lives of citizens from natural hazards; educating citizens regarding their vulnerability to natural hazards and steps to take to reduce vulnerability; minimize future flood damage; minimize future earthquake damage; minimize future tornado-related loss of life; minimize future hurricane damage; minimize future terrorist activity incidents	2	ongoing
PI	Continue providing speakers to civic groups regarding hazard related activities. Update the Speaker’s Bureau list as needed.	Charleston County Building Services	General Fund	Protecting the lives of citizens from natural hazards; educating citizens regarding their vulnerability to natural hazards and steps to take to reduce vulnerability	1	ongoing
PI	Continue programs aimed towards providing resources to local schools to enhance their ability to educate students regarding hazard events and hazard event preparation.	Charleston County Building Services/ Project Impact partners	Grant Funding/ Project Impact resources	Protecting the lives of citizens from natural hazards; educating citizens regarding their vulnerability to natural hazards and steps to take to reduce vulnerability; establishing cooperative relationships between the public, private, and non-profit sectors to enhance preparedness and recovery for hazard events; reducing future flood damage, reducing vulnerability of infrastructure and built environment to natural and man-made hazards	1	ongoing
PI	Continue participating in hazard-related/product expos	Charleston County Building Services	General Fund	Protecting the lives of citizens from natural hazards; educating citizens regarding their vulnerability to natural hazards and steps to take to reduce vulnerability; establishing cooperative relationships between the public, private, and non-profit sectors to enhance preparedness and recovery for hazard events	2	ongoing

PI	Support the Community Wildfire Protection Plan by increasing awareness of the public through educational events provided by Project Impact with the purpose of improving the protection of all structures.	Building Inspections, Town Administration Charleston County Building Services/ Project Impact partners	General Fund	Minimize future wildfire damage; protect the lives of our citizens from natural and man-made hazards; educating citizens regarding steps to take to reduce vulnerabilities; improve hazard resistance of infrastructure; reduce vulnerability of our infrastructure to natural and man-made hazards	1	ongoing
----	--	--	--------------	---	---	---------

Additional Recommended Projects may be added to this project list as the Disaster Resistant Communities committees consider other projects and recommend these projects for implementation.

ACTION PLAN FOR THE TOWN OF LINCOLNVILLE, SC

Following are the proposed projects to be undertaken/continued in the Town of Lincolnvile for hazard mitigation during 2013-2014:

(Abbreviations for “Type” are as follows: “PA” is Preventive Activities, “PP” is Property Protection Activities, “NB” is Natural and Beneficial Functions/Resource Preservation Activities, “ES” is Emergency Services Activities, “SP” is Structural Projects Activities, and “PI” is Public Information Activities, “GIS” is Geographic Information Systems Activities.)

<i>Type</i>	<i>Activity</i>	<i>Lead Agency</i>	<i>Funding Source</i>	<i>Goal(s) addressed</i>	Priority (1 highest, 4 lowest)
PA	Continue enforcement of the International series Building-related and Fire codes and the floodplain management regulations.	Building Inspections	General Fund	Minimize future flood damage; minimize future earthquake damage; minimize future hurricane damage; protect the lives of our citizens from natural and man-made hazards	1
PA	Continue to provide coordination storm water management for the Town through development and implementation of a comprehensive program. Enhance efforts through environmental educational activities.	Planning Public Works Building Services	General Fund	Minimize future flood damage; reduce existing flood damage; improve water quality; educating citizens regarding steps to take to reduce vulnerabilities; improve hazard resistance of infrastructure; reduce vulnerability of our infrastructure to natural and man-made hazards	1
PA	Support the Community Wildfire Protection Plan by increasing awareness of the public through educational events provided by Project Impact with the purpose of improving the protection of all structures.	Building Inspections, Town Administration Charleston County Building Services/ Project Impact partners	General Fund	Minimize future wildfire damage; protect the lives of our citizens from natural and man-made hazards; educating citizens regarding steps to take to reduce vulnerabilities; improve hazard resistance of infrastructure; reduce vulnerability of our infrastructure to natural and man-made hazards	1

PA	Continue enforcement of zoning regulations.	Planning, Town Administration	General Fund	Minimize future flood damage; preserve environmental resources; promote long-term economic prosperity; preserve open space; encourage recreational activities; minimize future hurricane damage; minimize future earthquake damage; protecting the lives of our citizens from natural and man-made hazards	1
PA	Conduct or co-sponsor training workshops regarding the International Building-related, flood, and Fire Prevention Codes and Regulations if there is interest in these workshops	Charleston County Building Services	General Fund/self-supporting through workshop revenues	Educating citizens regarding vulnerability to natural hazards and steps to reduce vulnerability; minimize future flood damage; minimize future earthquake damage; improve hazard resistance of infrastructure; minimize hurricane damage	1
PA	Continue providing information to citizens regarding the propane tank anchoring	Charleston County Building Services	General Fund/ Grant Funding	Educating citizens regarding vulnerability to natural hazards and steps to reduce vulnerability; minimize future flood damage; minimize future earthquake damage	2
PA	Continue enforcing regulations requiring new manufactured homes brought into The Town of Lincolnville to be constructed to wind zone 2 requirements as required per State law.	Building Inspections, Town Administration	General Fund	Minimize future hurricane damages; protecting lives of citizens from natural and man-made hazards	1
PA	Continue prohibiting new manufactured homes to be installed in "V" flood zones and requiring manufacture homes installed in "A" flood zones to be on permanent foundations.	Building Inspections, Town Administration	General Fund	Minimize future flood damage; minimize future earthquake damage; minimize future hurricane damage; protecting lives of citizens from natural and man-made hazards.	1
PP	Promote the use of voluntary standards for single-family residences to exceed minimal building code requirements for wind and seismic design.	Building Inspections, Town Administration	General Fund/Grant Funding	Minimize future flood damage; minimize future earthquake damage; minimize future hurricane damage; preserve environmental resources; educating citizens regarding vulnerability to hazards and steps to reduce vulnerability	2

PP	Promote standards for existing homes to be retrofitted to that exceed minimal codes.	Building Inspections, Town Administration	General Fund/Grant Funding	Reduce existing flood damage; preserve environmental resources; minimize future hurricane damages; minimize future earthquake damages; educating citizens regarding vulnerability to hazards and steps to reduce vulnerability	2
PP	Continue providing information to citizens regarding hazard safe interior rooms	Charleston County Building Services	General Fund	Minimize future tornado-related loss of life; Educating citizens regarding vulnerability to hazards and steps which may reduce vulnerability	2
PP	Distribute a brochure on protecting boats from damages during hurricanes to interested citizens through expos, offices, marinas, and boat dealers.	Charleston County Building Services	Grant Funding	Educating citizens regarding steps to take to reduce hazard vulnerability; minimize future hurricane damage; encourage recreational activities	3
PP	Distribute a brochure on protecting and preserving historic artifacts to interested citizens through expos, government offices, etc.	Charleston County Building Services	Grant Funding	Educating citizens regarding steps to take to reduce hazard vulnerability; preserve historic building inventory; minimize future flood damage	2
PP	Seek funding for retrofitting critical facilities to enhanced hazard resistance as needed if funding sources become available.	Town Administration	Grant Funding	Reduce vulnerability of infrastructure to natural and man-made hazards; minimize future hurricane damage; minimize future earthquake damage; reduce existing flood damage; preserve historic building inventory; promote long-term economic prosperity	1
NB	Continue enforcement of the tree protection/landscaping ordinance	Planning, Town Administration	General Fund	Preserve environmental resources; promote long-term economic prosperity; encourage recreational activities	2
NB	Continue maintaining permanent open space as parks	Parks and Recreation Commission	General Fund	Preserve environmental resources; promote long-term economic prosperity; encourage recreational activities; minimize future flood damages	2

NB	Continue to distribute literature on riparian buffer zones and hazard resistant landscaping to citizens through government offices and at expos.	Charleston County Building Services	Partner donations/ Grant Funding	Educating citizens regarding vulnerability to hazards and steps to reduce vulnerability; minimize future flood damage; preserve environmental resources; improve water quality; improve hazard resistance of infrastructure; preserve open space; encourage recreational activities; minimize future hurricane damage	2
ES	Continue hazardous material training	Charleston County Hazardous Materials Coordinator	Enterprise Fund	Protecting lives of our citizens from man-made hazards; minimize future hazardous materials incidents; preserve environmental resources; improve hazard resistance of infrastructure; assessing vulnerability to man-made hazards; establishing cooperative relationships between public, private and non-profit sectors to enhance response for hazard events.	1
ES	Continue Terrorist Response Training	Charleston County Hazardous Materials Coordinator	General Fund	Protecting lives of our citizens from man-made hazards; minimize future terrorist activity incidents; preserve environmental resources; improve hazard resistance of infrastructure; assessing vulnerability to man-made hazards; establishing cooperative relationships between public, private and non-profit sectors to enhance response for hazard events; promote long-term economic prosperity.	1
ES	Continue coordinating Emergency Operations Center activities in the event of a hazard event	Charleston County Emergency Preparedness	General Fund	Protecting lives of citizens from natural and man-made hazards; establishing cooperative relationships between public, private and non-profit sectors to enhance response for hazard events; educating citizens regarding vulnerability to hazards and steps to reduce vulnerability; preserve environmental resources; promote long-term economic prosperity	1

ES	Continue responding to hazard emergencies	EMS, Fire Departments, Sheriff Department, Haz. Mat. Coordinator, Emergency Preparedness	General Fund Enterprise Fund	Protecting lives of citizens from natural and man-made hazards; establishing cooperative relationships between public, private and non-profit sectors to enhance response for hazard events; educating citizens regarding vulnerability to hazards and steps to reduce vulnerability; preserve environmental resources; preserve historic building inventory; promote long-term economic prosperity	1
ES	Continue to require construction practices for new Town-owned critical facilities that are sensitive to flood zone (e.g. avoiding “A” and “V” flood zones where feasible) and seismic considerations.	Town Administration	General Fund Bond Funding	Protecting lives of citizens from natural and man-made hazards; reducing vulnerability of infrastructure and built-environment to hazards; minimize future flood damage; minimize future earthquake damage; minimize future hurricane damage	1
ES	Evaluate existing Town-owned facilities for hazard resistance and retrofit facilities if needed where feasible.	Town Administration	General Fund/ Grant Funding/ Bond Funding	Protecting lives of citizens from natural and man-made hazards; reducing vulnerability of infrastructure and built-environment to hazards; minimize future flood damage; minimize future earthquake damage; minimize future hurricane damage	1
ES	Continue working to attain resources and to provide training for maritime fire fighting through the Maritime Incident Response Team (MIRT).	Charleston County Hazardous Materials Coordinator	Grant Funding	Protecting the lives of citizens from man-made hazards; Establishing cooperative relationships between the public, private, and non-profit sectors to enhance preparedness and response for hazard events; Minimize future hazardous materials incidents; minimize future terrorist activity incidents; promote long-term economic prosperity	1

ES	Continue coordinating the Anti-Terrorism Task Force of specially trained police, fire and EMS personnel to respond to terrorist acts.	Charleston County Hazardous Materials Coordinator	Grant Funding	Protecting lives of our citizens from man-made hazards; minimize future terrorist activity incidents; preserve environmental resources; improve hazard resistance of infrastructure; assessing vulnerability to man-made hazards; establishing cooperative relationships between public, private and non-profit sectors to enhance response for hazard events; promote long-term economic prosperity.	1
SP	Continue a drainage maintenance and canal cleaning program	Town Administration	General Fund	Protect the lives of our citizens from natural hazards; reduce existing flood damage; minimize future flood damage; improve water quality; improve hazard resistance of infrastructure; promote long-term economic prosperity	1
SP	Continue utility right of way permitting, considering emergency vehicle access and flood zone related issues in permitting decisions	Town Administration	General Fund	Protect the lives of our citizens from natural hazards; reduce existing flood damage; minimize future flood damage; improve hazard resistance of infrastructure; promote long-term economic prosperity	1
SP	Continue the elevation reference mark inspection program	Town Administration	General Fund	Minimize future flood damage; Establishing cooperative relationships between public, private and non-profit sectors to enhance preparedness for hazards	1
SP	Continue to coordinate with Charleston County regarding design, permitting, and construction services for the drainage projects defined in Attachment VI-C	Town Administration Assistant Administrator for Transportation & Public Works	Grant Funding General Fund	Protect the lives of our citizens from natural hazards; reduce existing flood damage; minimize future flood damage; improve water quality; improve hazard resistance of infrastructure; promote long-term economic prosperity	1

SP	Continue the road repair/construction program, considering needs during evacuation and soil liquefaction potential in prioritization decisions	Charleston County Public Works Assistant Administrator for Transportation & Public Works	General Fund Grant Funding	Protect the lives of our citizens from natural hazards; reduce existing flood damage; minimize future flood damage; minimize future earthquake losses; improve hazard resistance of infrastructure; promote long-term economic prosperity	1
SP	Design/elevate roadways being constructed or reworked through the ½ cent sales tax program to minimize flooding potential to the extent feasible. Identify those roads susceptible to flooding.	Assistant Administrator for Transportation & Public Works	Special Revenue Funding	Protect the lives of our citizens from natural hazards; reduce existing flood damage; minimize future flood damage; minimize future earthquake losses; improve hazard resistance of infrastructure; promote long-term economic prosperity	1
SP	Continue to distribute a generator safety brochure to interested generator retail outlets, utility companies and the general public	Charleston County Building Services	Partner donations/ General Fund	Protecting the lives of citizens from natural and man-made hazards; educating citizens regarding vulnerability to natural hazards and steps to reduce vulnerability; improve hazard resistance of infrastructure; minimize future hurricane-related losses	2
PI	Provide hazard related information to all residents of the Town through the AT&T telephone book	Charleston County Building Services	General Fund	Protecting the lives of citizens from natural hazards; reduce existing flood damage; minimize future flood damage; minimize future hurricane damage; educating citizens regarding their vulnerability to natural hazards and steps to take to reduce vulnerability	1
PI	Continue providing hazard-related literature/information to citizens at Town offices	Town Administration	General Fund	Protecting the lives of citizens from natural hazards; educating citizens regarding their vulnerability to natural hazards and steps to take to reduce vulnerability; minimize future flood damage; minimize future earthquake damage; minimize future tornado-related loss of life; minimize future hurricane damage; minimize future terrorist activity incidents	2

PI	Participate in “Hazard Awareness Week”.	Town Administration	General Fund	Protecting the lives of citizens from natural hazards; educating citizens regarding their vulnerability to natural hazards and steps to take to reduce vulnerability; minimize future flood damage; minimize future earthquake damage; minimize future tornado-related loss of life; minimize future hurricane damage; minimize future terrorist activity incidents	2
PI	Continue providing speakers to civic groups regarding hazard related activities. Update the Speaker’s Bureau list as needed.	Charleston County Building Services	General Fund	Protecting the lives of citizens from natural hazards; educating citizens regarding their vulnerability to natural hazards and steps to take to reduce vulnerability	1
PI	Continue programs aimed towards providing resources to local schools to enhance their ability to educate students regarding hazard events and hazard event preparation.	Charleston County Building Services/ Project Impact partners	Grant Funding/ Project Impact resources	Protecting the lives of citizens from natural hazards; educating citizens regarding their vulnerability to natural hazards and steps to take to reduce vulnerability; establishing cooperative relationships between the public, private, and non-profit sectors to enhance preparedness and recovery for hazard events; reducing future flood damage, reducing vulnerability of infrastructure and built environment to natural and man-made hazards	1
PI	Continue participating in hazard-related/product expos	Charleston County Building Services	General Fund	Protecting the lives of citizens from natural hazards; educating citizens regarding their vulnerability to natural hazards and steps to take to reduce vulnerability; establishing cooperative relationships between the public, private, and non-profit sectors to enhance preparedness and recovery for hazard events	2

PI	Support the Community Wildfire Protection Plan by increasing awareness of the public through educational events provided by Project Impact with the purpose of improving the protection of all structures.	Building Inspections, Town Administration Charleston County Building Services/ Project Impact partners	General Fund	Minimize future wildfire damage; protect the lives of our citizens from natural and man-made hazards; educating citizens regarding steps to take to reduce vulnerabilities; improve hazard resistance of infrastructure; reduce vulnerability of our infrastructure to natural and man-made hazards	1
