

CRS 360 FINANCIAL ASSISTANCE INFORMATION

Funding Organization	Pre or Post Flood	Program Name	Program Overview	Limitations / Conditions	Notes	Contact Info	Website
FEMA	Post	Hazard Mitigation Grant Program	Provides grants to states and local governments so they may implement long-term hazard mitigation measures after a major disaster declaration.	Individual homeowners and businesses may not apply (Local governments / communities may "sub-apply" on behalf of an individual property or business)	SEE ELIGIBLE ACTIVITIES CHART	http://scemd.org	http://www.fema.gov/hazard-mitigation-grant-program
FEMA	Pre	The Pre-Disaster Mitigation Program	Designed to assist states, territories, and local communities in implementing pre-disaster mitigation programs and flood proof construction.	Individual homeowners and businesses may not apply *All 3 of the FEMA Grants come with a Management Cost Grant (payment to the grantee)*	Applications processing for 2015 closes on 08/25/2015 at 3pm (EDT)		http://www.fema.gov/pre-disaster-mitigation-grant-program
FEMA	Pre	Flood Mitigation Assistance Program	Aims to reduce claims under the NFIP by providing funds for projects ¹ and plans ² that reduce the risk of flood damage.	Individual homeowners and businesses may not apply (Local governments / communities may "sub-apply" on behalf of an individual property or business)	Does not cover any structural retrofitting		http://www.fema.gov/flood-mitigation-assistance-program
FEMA	Post	Public Assistance Program	FEMA provides assistance to state and local governments, as well as NPO so that communities can quickly respond to and recover from major disasters or emergencies declared by the President.		Seems to cover pre and post flood projects, but is "activated" by flood events.		http://www.fema.gov/public-assistance-local-state-tribal-and-non-profit
S.C. DOI	Pre	Safe Home Program	Provides reimbursement grants to individual home owners for the sole purpose of retrofitting homes to guard against severe storms, hurricanes, and floods.	Home value cannot exceed \$300,000 Recommended improvements must be submitted within 6 months of the award notification	Property owner must complete a wind certification inspection before sending in the grant application	Staff: 803-737-6087	http://www.doi.sc.gov/605/SC-Safe-Home
USDA / NRCS	Post	Emergency Watershed Protection Program	Designed to respond to emergencies created by natural disasters. NRCS will pay up to 75 percent of the construction costs needed for repairing disaster damaged infrastructure.	EWP work is not limited to any one set of prescribed measures. A case-by-case investigation of the work is made by NRCS.	It is not necessary for a national emergency to be declared in an area to be eligible for assistance	Fred Reaves: 202-690-0793	http://www.nrcs.usda.gov/Internet/FSE_DOCUMENTS/stelprdb1045263.pdf http://www.nrcs.usda.gov/wps/portal/nrcs/main/national/programs/landscape/ewpp/
US SBA	Post	Disaster Loans	Homeowners may apply for up to \$200,000 to replace or repair their primary residence. Qualified businesses and nonprofit organizations may apply for up to \$2 million.	A national emergency must be declared in your area in order to be eligible for assistance	Read website information. There are many stipulations involved in these loans.		http://www.sba.gov/category/navigation-structure/loans-grants/small-business-loans/disaster-loans
HUD	Post	CDBD Disaster Recovery Assistance	HUD provides funds to governmental bodies and non-profit organizations that assist with disaster relief, and have <i>significant</i> financial needs which are not being met	Funding must be used to: -Benefit low/moderate income populations -Aid in the elimination of slums -Meet urgent community development needs	At least 51% of the population that benefit from the funded projects need to be at or below the poverty line.		https://www.hudexchange.info/programs/cdbg-dr/
