

DIRECT DEPOSIT ENROLLMENT FORM

Now you can have your Child Support deposited directly into your bank account without ever having to go to the bank. The Direct Deposit program was created by Julie J. Armstrong, Charleston County Clerk of Court for your convenience and is completely optional.

When a payment is made to your account, instead of mailing a check, your money is deposited into your bank account.

There is no charge for this service. It is only another option in the way that you receive your support money.

From the day you sign up for Direct Deposit, the very next payment made to your account will generate a check that will be mailed to your address. The next payment after that will be sent to you via Direct Deposit.

If you would like to take advantage of this new service, simply fill out this form and return it to the Family Court Support Division along with a voided check from your bank account or a Direct Deposit set up form from your bank with the account number and routing number. Please note that unless you are signing the form in person with your picture I.D., ***your signature must be notarized for your protection.***
