## CHARLESTON COUNTY COMBINING STATEMENTS - NONMAJOR ENTERPRISE FUNDS

Enterprise funds are used to account for those operations that are financed and operated in a manner similar to private business.

**DAODAS** – This fund records the activity of programs administered by the Department of Alcohol and Other Drug Abuse Services (DAODAS). These programs reduce the negative impact of alcohol and other drugs on constituents by planning and implementing comprehensive and effective programs of professional services. State and Federal funding, Medicaid, client fees, and other funding sources support these programs.

**E-911 Communications** – This fund is used to account for the operations of the County's Emergency 911 communication system. This service is funded through a county-wide service charge on all telephone service and is collected by local utilities for the County.

**Public Safety System** – This fund is used to account for the cost related to the implementation and maintenance of records management systems for the detention center, law enforcement, fire districts, and other public safety entities.

Radio Communications – This fund is used to account for the comprehensive communications support to Charleston County agencies and neighboring external public safety agencies, including management of the 800 MHz public safety radio system, operation of the communications electronic maintenance facility, and management of the command post's emergency equipment and vehicles for response to emergencies and natural disasters.

**Revenue Collections** – This fund is used to account for the administration on a fee basis of the collection of accommodations, business licenses, hazardous material fees, storm water fees and the solid waste user fee for the County and municipalities.
