## **HOW TO REDACT YOUR TAX RETURNS**

Redact the tax return as shown (SC/other state returns have information similar to the 1040) using a heavy marker or pen to cover up:

- Social Security Numbers
- Account numbers
- Routing numbers
- Income amounts

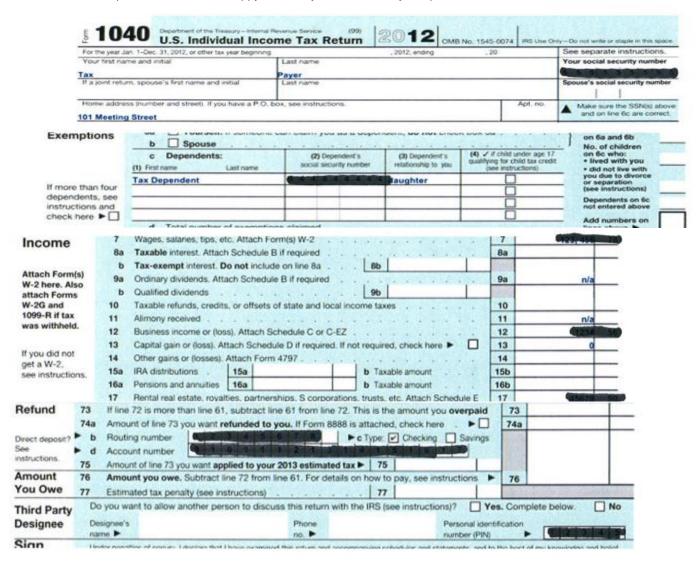

If a line is blank - leave it blank.

If a line is filled in with a zero - leave the zero.

If a line contains an N/A – leave the N/A.

The income amounts (dollar figures) are typically not needed for this process but it *is* necessary for the Assessor's Office to know if some lines contained data. Therefore, do not cover up the lines with plain paper and do not fold the form when copying to hide the income lines.

If you have any questions about redacting or about what parts of the returns are needed, call the <u>Assessor's</u> Office at 843-958-4100. Customer service representatives will be happy to assist you and answer your questions.
