

Order of Judgment for Subrogation Claim

THIS MATTER comes before me pursuant to an Order of Default and Reference. The hearing was held before me on the ____ day of _____, 1996. Based upon the testimony presented, the pleadings and exhibits of record, I make the following findings of fact and conclusions of law:

I find the Defendant herein was properly served with a copy of the Summons and Complaint and that (s)he is in default; and, that notice of the within hearing was forwarded to the Defendant. Insomuch as the Defendant is in default, the allegations contained in the Complaint are uncontroverted and are accepted the facts of the within matter. I find the Defendant caused the automobile he operated to be operated in a negligent manner, and that he caused the automobile accident complained of by Plaintiff; that the resulting damages were the direct and proximate result of the Defendant's negligence. I find the damages were settled by Plaintiff for the total amount of \$_____ Dollars. I find and conclude the settlement was reasonable under the circumstances and that the Plaintiff is entitled to recover judgment in that amount from the Defendant; wherefore, it is

ORDERED, ADJUDGED AND DECREED that the Plaintiff have judgment against the Defendant, _____, in the amount of \$_____ Dollars, for the costs of this action and for interest at the legal rate from the date of judgment.
