

Charleston County RoadWise News Release
A Program of Charleston County Government

Release Number: 2796
Release Date: May 16, 2007

Over 100 Roadway Projects Completed So Far with Transportation "Half-Cent" Sales Tax

The number of completed projects increases, and more major projects are in various stages of design.

In less than two years, over 100 resurfacing, paving, handicap ramps, intersection improvements and drainage projects have been either been completed or are underway with funds from the Charleston County Transportation "Half-Cent" Sales Tax Program.

The projects are:

- 45 handicap ramps
- 88 resurfacing and paving projects
- a variety of small projects such as bicycle paths and drainage improvements
- the design phase of 11 bonded projects is currently underway

Charleston County's Transportation Sales Tax was approved by voters in November of 2004. Collection of the tax began two years ago in May of 2005. The tax will continue for 25 years or until \$1.303 billion is generated for transportation and greenspace related projects and improvements.

The Transportation Sales Tax Program has completed a total of 88 paving and resurfacing projects (18 paving projects and 70 resurfacing projects) so far.
