Charleston County Offices Move to Consolidate Services

[Charleston County Government](#) announces the following office changes that will take effect on Tuesday, July 7:

- The Delinquent Tax Office will move into the [Revenue Collections Department's](#) office at the Lonnie Hamilton, III Public Services Building (4045 Bridge View Drive, 29405).
- Previous delinquent tax cashing functions will be transferred to the [Charleston County Treasurer's Office](#).
- Mobile home decals and mobile home permits will be issued by the Revenue Collections Department. However, the [Charleston County Assessor's Office](#) will continue to provide code enforcement for mobile homes.

By grouping these similar functions, Charleston County was able to eliminate seven temporary positions, one full time position, and two delinquent tax office cashiers were transferred to the Treasurer's Office to assist in the additional collection efforts.

The Charleston County Department of Revenue Collections is also responsible for County business license fees, accommodation fees, HAZMAT (Hazardous Materials) fees, solid waste user fees, franchise fees, stormwater fees and bankruptcy filings. The department administers over 28 municipal contracts for municipal business license services, accommodation services, hospitality services, special tax district services and radio billing services.

Anyone with questions can contact the Charleston County Revenue Collections Office at (843) 202-6080.
