Traffic Alert: Jan. 4 Nighttime Road Closure for Johnnie Dodds Boulevard Improvements Project

[Charleston County Government](#) announces new, nighttime road work that will affect East Frontage Road next to Nason Medical Center on Tuesday, Jan. 4. The work is necessary so crews can install new storm drainage pipes for the [Johnnie Dodds Boulevard Improvements Project](#) in Mount Pleasant.

January 4 lane closures on East Frontage Road south of Bowman Road:

- Drivers should expect a closure on East Frontage Road next to Nason Medical Center on Tuesday, January 4 between 9 p.m. and 6 a.m.
- During this construction, East Frontage Road will be limited to local traffic on East Frontage Road between Bowman Road and Anna Knapp Boulevard.
- Vehicles may access businesses that are located along East Frontage Road from Anna Knapp Boulevard.
- If the weather is poor on this date, the work will be completed on the next weather-permitting day.

All motorists traveling through the project area are asked to be aware of equipment and crews and to be prepared for delays beginning this week. Alternative routes are recommended if possible. The public is also asked to notice traffic control signs, reductions in speed limit and message board information, and to note that all road work is dependent on the weather. Every effort is being made to schedule necessary lane closures for the project during off-peak, nighttime and weekend hours when possible.

The project, which is expected to be completed in the fall of 2012, is funded by the [Charleston County Transportation Sales Tax](#) and managed by [Charleston County Government's](#) RoadWise Program, in close coordination with the [Town of Mount Pleasant](#) and the [S.C. Department of Transportation](#). The goal of the project is to improve the traffic flow in and out of Mount Pleasant, especially before and after school and work hours.

Charleston County RoadWise is the name of [Charleston County Government's](#) management program for the construction of roads, highways, resurfacing, paving and drainage projects that are funded by the Transportation Sales Tax.
