Date: January 25, 2013

Awendaw Firefighter Sustained Nonlife-threatening Injuries While Fighting Fire in McClellanville Yesterday

An [Awendaw District Fire Department](#) firefighter, who has been with the department for four years, sustained nonlife-threatening injuries while responding to a structure fire yesterday evening on Society Road in McClellanville. The firefighter was transported by [Charleston County EMS](#) to the Medical University of South Carolina, and was later transported to the Joseph M. Still Burn Center in Augusta, Ga. as a precautionary measure and for observation. More details may be provided as they become available.
