Traffic Alert: Nighttime Lane Closures on U.S. Highway 17 and on Bees Ferry Road at the Bees Ferry Road Intersection on April 8-9, 2015

[Charleston County Government](#) announces a **nighttime** lane closure on U.S. Highway 17 southbound (Savannah Highway) at the [Bees Ferry Road](#) intersection on Wednesday night, April 8, through early Thursday morning, April 9. The purpose of the closure is so workers can make asphalt repairs as part of the [Bees Ferry Road Widening Project](#). In addition, traffic will be detoured from making a left turn onto US-17 northbound from Bees Ferry Road for a short period of time. All work is weather permitting.

- The left lane on Hwy. 17 southbound will be closed. The other lanes in the southbound direction will remain open at all times.
- Traffic will be detoured from making a left turn from Bees Ferry Road onto US-17 Northbound headed towards Charleston. A message board will direct traffic to Main Road for a short duration.
- This work will occur between 9 p.m. and 5 a.m.
- The public is also asked to notice traffic control signs, reductions in speed limits and message board information. Workers will also be present to safely route motorists through the closures.
- Drivers traveling through the project's construction zone are asked to be aware of equipment and crews working in the area at all times.
