## Distinguished Budget Presentation Award

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to Charleston County, South Carolina for its annual budget for the fiscal year beginning July 1, 2017, for the 29<sup>th</sup> consecutive year. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

**SPECIAL  
PERFORMANCE  
MEASURE  
RECOGNITION**

The Government Finance Officers Association also presented Charleston County with the Special Performance Measures Recognition. Performance measures are used by governments to collect information about operational activities, achievement of goals, community conditions, or other environmental factors to better understand a situation and make informed decisions.

These awards are valid for a period of one year only. We believe our current budget continues to conform to program requirements and we are submitting it to GFOA to determine its eligibility for another award.

The calculation of annualized compensation takes the established hourly rate and estimates what the annual compensation will be based on the estimated number of regularly scheduled hours of work, which is subject to change based on scheduling. For exempt employees, the annualized compensation more closely estimates pay. For non-exempt employees, the hourly rate reflects the true rate of pay, and the annualized compensation should be used as a reference only.
