**About the Cover Picture:**

Pictured is the Arthur Ravenel Jr. Bridge (also known as the Ravenel Bridge and the Cooper River Bridge), a cable-stayed bridge with two diamond shaped towers over the Cooper River which connects downtown Charleston to Mount Pleasant. The bridge has a main span of 1,546 feet, the third longest among cable-stayed bridges in the Western Hemisphere. The bridge is home to the annual USA Track & Field 10,000 meters (6.2mi) Cooper River Bridge Run held on the first weekend of April. This event attracts up to 50,000 people. The route starts in Mount Pleasant and finishes in downtown Charleston at Marion Square.

The bridge structure is designed to withstand shipping accidents and the natural disasters that have plagued Charleston's history. The span is designed to endure wind gusts in excess of 300 mph, far stronger than those of the worst storm in Charleston's history (Hurricane Hugo in 1989). Engineers also considered the 1886 earthquake that nearly leveled Charleston. The Ravenel Bridge is designed to withstand an earthquake of approximately 7.4 on the Richter magnitude scale without total failure. To protect the bridge from errant ships, the towers are flanked by one-acre rock islands. Ships will run aground on the island before colliding with the towers.

**Distinguished Budget Presentation Award**

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to Charleston County, South Carolina for its annual budget for the fiscal year beginning July 1, 2022, for the 34<sup>th</sup> consecutive year. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

The GFOA named Charleston County a Triple Crown winner for fiscal years 2020, 2021 and 2022. A Triple Crown designation recognizes governments who have received GFOA's Certificate of Achievement for Excellence in Financial Reporting, Popular Annual Financial Reporting Award, and the Distinguished Budget Presentation for a fiscal year. Only 317 governments received this special designation for the fiscal year 2021.

The calculation of annualized compensation takes the established hourly rate and estimates what the annual compensation will be based on the estimated number of regularly scheduled hours of work, which is subject to change based on scheduling. For exempt employees, the annualized compensation more closely estimates pay. For non-exempt employees, the hourly rate reflects the true rate of pay, and the annualized compensation should be used as a reference only.
