

# Are You Ready for Floods?

*Hurricanes, Floods, Tornadoes, and Earthquakes could all potentially occur in the Charleston area!*

Did you know that flooding is the most frequent type of hazard event experienced in the Charleston County Area?

**Word Hunt:** Can you find ways to protect your family and home from flood losses?

- |                 |                  |                       |
|-----------------|------------------|-----------------------|
| Elevate         | Emergency kit    | Preserve wetlands     |
| Relocate        | Move Valuables   | Anchor tanks          |
| Floodproof      | Check flood zone | Licensed contractor   |
| Flood insurance | Preserve dunes   | Clean drainage system |

- ### Flood Preparation:
- ❖ Keep drainage ditches clear of obstruction
  - ❖ Protect your property from flood damages
  - ❖ Purchase flood insurance
  - ❖ Have an emergency kit
  - ❖ Follow emergency instructions
  - ❖ Avoid driving if flooding is imminent
  - ❖ Shut off electric and/or gas at main disconnects if property in danger of flooding.

Being prepared and following emergency instructions are the most important things you can do to safeguard your family and property in the event of a flood. Contact Project Impact at (843) 202-6940 for additional information.
