

## CHARLESTON COUNTY AREA, SC PROJECT IMPACT PROGRAMS FOR SCHOOLS

(Contact Cindy Cahill at 843-202-6940 or [ccahill@charlestoncounty.org](mailto:ccahill@charlestoncounty.org) for more information.)

- \* **Mini-grants** for teachers to create hazard-theme or environmental protection art or music projects or in-class demonstrations with students
- \* **Assemblies** for students on weather, hazard-related, and environmental protection
- \* **Speakers** for classrooms on hazard-related and environmental topics
- \* **Lowcountry Science Fair Awards** for best projects on a hazard-related theme, and best projects on an environmental-quality theme
- \* **Miscellaneous** (scout patch programs, environmental service projects, etc.)
- \* **Resources** for teachers on hazard-related and environmental topics

*Project Impact **school assemblies** are available for all schools in Charleston, Berkeley, and Dorchester Counties.*

*All students whose projects are entered into the **Lowcountry Science Fair** and whose projects are on one of our award themes are eligible for our awards.*

***Mini-grants** are available for elementary and middle schools in Charleston, Berkeley and Dorchester Counties. Applications available on the Project Impact web site. Projects must be completed by the middle of May of the school year.*

***Speakers and resources** for classrooms are available to any schools requesting these services.*

***See our web site for more information:***
