REQUEST**

CHARLESTON COUNTY COUNCIL

MEMORANDUM

TO: Members of Environmental Management Committee

FROM: Kristen Salisbury, Clerk of Council

SUBJECT: City of North Charleston Recycling Request

DATE: March 9, 2018

This item is added to the agenda for discussion only. Committee Chairman Moody received the attached letter from North Charleston Mayor Keith Summey requesting that Charleston County consider extending curbside recycling to the City of North Charleston's Dorchester County residents.

March 7, 2018

Councilman Brantley Moody
Solid Waste Committee Chairman
4045 Bridge View Drive
North Charleston, SC 29405

REF: Recycling in the City of North Charleston

Dear Councilman Moody,

At one time Charleston County offered to provide recycling services to the residents in the City of North Charleston in Dorchester County. At the time, we were not in a position to take the County up on that option. However, with recent developments in that area, there is great interest in such services, specifically in that area of the City. There are approximately 8500 residential units in the area. I am requesting for Charleston County to consider picking up recycling in that area. This service would be a benefit to not only the citizens of North Charleston, but Charleston County as well.

Please let me know if you wish to discuss or if I can answer any questions regarding this request. I look forward to hearing back for you soon.

Sincerely,

R. Keith Summey
Mayor
