Fire Districts – This fund was established to account for revenues generated by a property tax levy for the Awendaw Consolidated Fire District, East Cooper Fire District, Northern Charleston County Fire District, and West St. Andrew’s Fire District. In addition, this fund accounts for revenues received under a contract with the Towns of McClellanville and Awendaw for the Awendaw Consolidated Fire District to provide fire protection for the Town’s residents. These services are provided by County employees and through contracts with other entities. The budget is adopted on an annual basis.

Hazardous Materials Enforcement – This fund was established to pay for a county-wide hazardous materials training program and to acquire equipment needed to support the various fire departments within the county when they have to handle hazardous material situations. It is funded by a fee charged to the various businesses within the county that use hazardous materials. The budget is adopted on an annual basis.

Public Defender - This fund was established to account for the activities of the Ninth Circuit Public Defender. The Public Defender is mandated to defend in the State court system all persons within Charleston County who are required by Statute, State or Federal Constitution to be provided with a legal counsel at public expense. The budget is adopted on an annual basis.

Sheriff – This fund was established to account for federal and state grants and asset forfeitures received in various drug interdiction activities used to fund law enforcement activities. The budget is adopted on an annual basis.

Solicitor – This fund was established to account for funds provided by the State, grants for reducing domestic violence, grants for prosecuting DUI cases and fees charged to first time defendants under the Pretrial Intervention Program, who upon completion may have their records expunged. State appropriations are to be used for providing assistance to victims and witnesses of violent crimes and to supplement County appropriations for Solicitor activities. The budget is adopted on an annual basis.

Storm Water Drainage – This fund was established to account for the storm water fee the County began charging November 1, 2006. The program regulates run off from all properties and activities that have the potential to pollute local water systems. The fee provides funds for operations, maintenance and capital improvements. The budget is adopted on an annual basis.

The budget is adopted on an annual basis.

Charleston Development Corporation – This fund is used to account for the County's non-profit blended component unit. This entity was established in September 2004 to further human, social, and economic development in the County of Charleston. The Corporation exists solely for the benefit of the County.
