

Veteran Service Officer Assistance

Amid the continued concerns about the spread of COVID-19, the Veterans Affairs Office is no longer conducting face-to-face interviews. We are continuing to assist our Veterans with “virtual” appointments by telephone, email, fax and regular mail. This decision protects our older Veterans and those with underlying conditions as well as our employees.

To schedule a “virtual” appointment with one of our trained and accredited Veterans Service Officers (VSOs), call 843-974-6360, select option #4 and leave a detailed message about how we can assist you. A VSO will contact you to provide assistance.

Any required documentation should be scanned and emailed to vaoffice@charlestoncounty.org OR placed in the Veterans Affairs box located in our lobby in the Public Services Building. Access to this box is only available during our normal working hours of 8 AM to 4 PM, Monday – Friday.

Additional information about our office can be found at:
