**(3) ‘restrictive covenant’ does not mean a restriction concerning a type of structure that may be built or place don a tract or parcel of land.”**

## CHAPTER 6 | USE REGULATIONS

### ARTICLE 6.5 ACCESSORY USES AND STRUCTURES

---

#### §6.5.11 HOME OCCUPATIONS

---

##### A. General

Some types of work can be conducted at home with little or no effect on the surrounding neighborhood. The home occupation regulations of this Section are intended to permit residents to engage in home occupations, while ensuring that home occupations will not be a detriment to the character and livability of the surrounding area. The regulations require that home occupations (an accessory use) remain subordinate to the principal residential use of the property and that the viability of the residential use is maintained. Zoning Permits shall be required for all home occupations.

##### B. Where Allowed

Home occupations that comply with the regulations of this Section shall be allowed as an accessory use to any allowed Residential or Agricultural principal use.

##### C. Allowed Uses

The home occupation regulations of this Section establish performance standards rather than detailed lists of allowed home occupations. Uses that comply with all of the standards of this Section will be allowed as home occupations unless they are specifically prohibited.

##### D. Prohibited Uses

###### 1. Vehicle/Equipment Repair, Rental or Sales

Any type of repair, rental, sales or assembly of vehicles or equipment with internal combustion engines (such as autos, motorcycles, scooters, outboard marine engines, lawn mowers, chain saws, and other small engines) or of large appliances (such as washing machines, dryers, and refrigerators) or any other work related to automobiles and their parts is prohibited as a home occupation in the R-4, M-8, M-12, MHS, and MHP Zoning Districts, unless these types of repairs, rentals, or sales take place in an enclosed structure and pose no noise or safety concerns.

###### 2. Restaurants

Restaurants and food service establishments are not allowed as home occupations. Food service for Bed and Breakfasts shall be allowed under this Ordinance.

###### 3. Employee Dispatch Centers

Dispatch centers, where employees come to the site to be dispatched to other locations, are not allowed as home occupations.

###### 4. Animal Care or Boarding

Animal care or boarding facilities (including animal hospitals, kennels, stables and all other types of animal boarding and care facilities) are not allowed as home occupations in the R-4, M-8, M-12, MHS and MHP Residential Zoning Districts.

###### 5. Medical Offices or Clinics

Medical offices and medical clinics are not allowed as home occupations in the R-4, M-8, M-12, MHS and MHP Residential Zoning Districts. This includes doctors' offices, dentists' offices, psychologists' offices, hospitals and all other medical care facilities. The prohibition shall not be interpreted as preventing medical practitioners from seeing patients in the practitioner's home on an emergency basis. Limited Prosthetic Manufacturing as defined in [CHAPTER 12](#) of this Ordinance shall be allowed.

###### 6. Funeral Homes

Funeral homes and funeral service activities are not allowed as home occupations.

###### 7. Barber Shops, Beauty Shops and Nail Salons

Barber and Beauty Shops with more than one chair are not allowed as a home occupation.

**8. Dancing Schools**

Dancing schools are not allowed as home occupations.

**9. Short-Term Rental Properties (STRP)**

STRP's include: Limited Home Rentals (LHR's), Extended Home Rentals (EHR's), and Commercial Guest Houses (CGH's). These individual uses are regulated separately from a home occupation (see Article 6.8, Short-Term Rentals).

**E. Employees**

Only one full-time or one part-time employee, who is not a full-time resident of the home where the home occupation is located, is allowed. The home occupation may have other employees who are not working at the residence, but work at other off-site locations, if applicable. For the purpose of this provision, the term "nonresident employee" includes an employee, business partner, co-owner, or other person affiliated with the home occupation, who does not live at the site, but who visits the site as a part of the home occupation.

**F. Resident Operator**

The operator of a home occupation shall be a full-time resident of the dwelling unit.

**G. Customers**

Customers may visit the site of a home occupation only during the hours of 8:00 a.m. to 8:00 p.m., with no more than an average of one customer or client per hour being allowed.

**H. Floor Area**

No more than 25 percent of the total floor area of the dwelling unit may be used to house a home occupation. Up to 1,000 square feet of an accessory structure, such as a garage, may be used for a home occupation.

**I. Outdoor Activities**

All activities and storage areas associated with home occupations must be conducted in completely enclosed structures.

**J. Exterior Appearance**

There shall be no visible evidence of the conduct of a home occupation when viewed from the street right-of-way or from an adjacent lot. There may be no change in the exterior appearance of the dwelling unit that houses a home occupation or the site upon which it is conducted that will make the dwelling appear less residential in nature or function, with the exception of signs that comply with the following requirements:

1. One (1) non-illuminated sign not to exceed 216 square inches in size (example: 12 inches by 18 inches) may be permitted per property on which a legally established Home Occupation use exists;
2. The sign must be attached to the principal structure or fence located on the subject property;
3. The applicant must submit a plan drawn to scale showing the location and design of the sign that will complement the color and materials of structures in the area; and
4. The sign must be removed within thirty (30) days of the termination of the Home Occupation use.

Examples of prohibited alterations include construction of parking lots, paving of required setbacks, adding additional entrances to the dwelling unit, signs that are not in compliance with the requirements of this Section, and commercial-like exterior lighting. The use of snipe signs is strictly prohibited.

**K. Operational Impacts**

No home occupation or equipment used in conjunction with a home occupation may cause odor, vibration, noise, electrical interference or fluctuation in voltage that is perceptible beyond the lot line of the lot upon which the home occupation is conducted. No hazardous substances may be used or stored in conjunction with a home occupation.

**L. Vehicles**

Not more than one pick-up truck, car, sports utility vehicle, or van used in conjunction with a home occupation may be parked at the site of the home occupation in any S-3, R-4, M-8, M-12, MHS, or MHP Zoning District. The heavy commercial vehicle standards of Section 6.5.15 shall apply to home occupations.

**M. Deliveries**

No more than four deliveries or pick-ups of supplies or products associated with home occupations are allowed between the hours of 8:00 a.m. and 8:00 p.m.

**N. Sales**

No article, product, or service may be sold in connection with a home occupation, other than those produced on the premises or comprise 25 percent or less of the gross receipts.
