

CHARLESTON COUNTY PLANNING SITE PLAN REVIEW

Purpose

Limited (LSPR) and Full (ZSPR) Site Plan Review are the processes used to examine all uses and/or proposed developments, except for single family detached residential, for the purpose of ensuring compliance with County requirements. The LSPR and ZSPR Committees consist of representatives from various County agencies who will address the issues of the project including zoning, building codes, health standards, traffic/highway regulations, drainage/road requirements, compliance with wetland regulations and Stormwater regulations.

At the time of initial submittal, the applicant and/or owner may be advised of the time and date of the initial review and requested to attend, if applicable.
