This Article explains how to interpret Table 6.1-1, *Use Table*. The top of Table 6.1-1, *Use Table*, contains the Zoning Districts and left side of the table contains the use types. Under the hierarchy established by this Ordinance, the NR district is the least intensive base Zoning District, while the IN Zoning District is the most intensive base Zoning District. The uses listed in Table 6.1-1, *Use Table*, are permitted or not permitted in each Zoning District according to the letter coding described in Sections 6.1.1 through 6.1.5 below.

#### Sec. 6.1.1 A Uses Allowed by Right

---

An "A" indicates that a use type is allowed by right in the respective Zoning District, subject to compliance with all other applicable regulations of this Ordinance. A Use Allowed by Right is defined in CHAPTER 12, *Definitions*, of this Ordinance as a Principal Use allowed without the requirement of a Special Exception.

#### Sec. 6.1.2 C Uses Subject to Conditions

---

A "C" indicates that a use type is allowed in the respective Zoning District only if it complies with use-specific conditions and all other applicable regulations of this Ordinance. A cross-reference to the applicable conditions can be found in the "Condition" column of Table 6.1-1, *Use Table*. The number provides a cross-reference to the use-specific conditions contained in this Chapter.

#### Sec. 6.1.3 S Special Exception Uses

---

An "S" indicates that a use type is allowed only if reviewed and approved in accordance with the Special Exception procedures of this Ordinance, subject to compliance with use-specific conditions and all other applicable regulations of this Ordinance. A cross-reference to the applicable conditions can be found in the "Condition" column of Table 6.1-1, *Use Table*. The number provides a cross-reference to the use-specific conditions contained in this Chapter.

Any use that was legally established before April 21, 1999 without Special Exception approval and which after April 21, 1999 is located in a Zoning District that requires Special Exception approval for the subject use and which presently continues as an allowable use, shall not be considered a nonconforming use and shall not require a Special Exception. Additionally, a valid, Charleston County Business License is required following Zoning Permit approval.

### Sec. 6.7.8 Lapse of Approval

Once abandoned, the Special Exception approval and the Zoning Permit for the Special Events use shall be deemed null and void. Renewal of the Special Events use shall require the approval of the Board of Zoning Appeals (BZA) and compliance with the regulations of this Ordinance.

## ARTICLE 6.8 SHORT-TERM RENTALS

---

### Sec. 6.8.1 Purpose and Applicability

---

- A. **Purpose.** The County is committed to working to protect the traditional quality of life and character of its residential neighborhoods. The County has concerns about permitted Short-Term Rentals resulting in increased traffic, noise, trash, parking needs, safety and possible adverse impacts and other undesirable changes to the nature of the County's neighborhoods. Therefore, after providing many opportunities for public input and following careful study and consideration, County Council finds it appropriate and in the best interests of its residents, property owners, and visitors to regulate Short-Term Rental Properties (STRPs) within unincorporated Charleston County.

This Article sets out standards for establishing and operating Short-Term Rental Properties. These regulations are intended to provide for an efficient use of Dwellings as STRPs by:

1. Providing for an annual permitting process to regulate STRPs;
2. Balancing the interests of properties that are frequently used in whole or in part by Short-Term Rental Tenants;
3. Allowing homeowners to continue to utilize their residences in the manner permitted by this Ordinance for the Zoning District in which a particular Dwelling is located;
4. Providing alternative accommodation options for lodging in residential Dwelling Units; and
5. Complementing the accommodation options in environments that are desirable and suitable as a means for growing tourism.

B. **Applicability.**

1. *Short-Term Rental Types.* The following Short-Term Rentals shall be authorized pursuant to this Article:
  - a. STRP, *Limited Home Rental (LHR)*;
  - b. STRP, *Extended Home Rental (EHR)*; and
  - c. STRP, *Commercial Guest House (CGH)*.
2. *Applicable Zoning Districts.* STRPs shall be allowed within the Zoning Districts of this Ordinance in accordance with Table 6.1.1, *Use Table*, applicable Overlay Zoning District Regulations, and as approved in Planned Development Zoning Districts. Planned Development Zoning Districts that do not specify STRPs as an allowed use must be amended to allow STRPs.
3. *Application.* Applications for STRPs shall be made in compliance with this Article.
4. *Variations.* Variations from the requirements of Sec. 6.8.3.A, *Use Limitations and Standards*, are prohibited.

- C. **Registration.** All STRPs require a Zoning Permit and Business License, which must be renewed annually pursuant to this Article.

- D. **Compliance with Other Regulations.** All STRPs, including Nonconforming Uses as allowed for in this Article, shall comply with all applicable local, state, and federal rules and regulations.

Effective on: 10/27/2017, as amended

### Sec. 6.8.5 Amortization of Nonconforming STRPs

---

The South Carolina Local Government Comprehensive Planning Enabling Act of 1994, as amended (Planning Act) authorizes local governments to terminate a nonconformity by specifying the period or periods in which the nonconformity is required to cease or be brought into compliance pursuant to S.C. Code Ann. Section 6-29-730 (2007).

Therefore, if a Dwelling was legally used as a STRP prior to July 24, 2018, the Dwelling may continue as a Nonconforming Use pursuant to CHAPTER 10, Nonconformities, of this Ordinance until July 24, 2023 to allow for the recovery or amortization of the investment in the Nonconforming Use, after which the Nonconforming Use as a STRP shall terminate.

During the amortization period, all Nonconforming STRPs must comply with all other requirements of this Article as is reasonably possible, including but not limited to, making an application for a Short-Term Rental Permit. Exceptions will be made for restrictions on maximum number of rental days, special exceptions use conditions, owner occupancy status, or use subject to conditions.

Not less than 60 days before the end of the amortization period, the owner of the Dwelling may request a special exception to the amortization period. All requests shall be made to Board of Zoning Appeals in writing, and all decisions shall be subject to the provisions of Art. 3.6 of the ZLDR except for Art. 3.6.1 and Art. 3.6.5.

The Board of Zoning Appeals may grant an extension of the time of the amortization period if the owner of the Nonconforming STRP proves that he is unable to recoup his investment in such property by the conclusion of the amortization period.

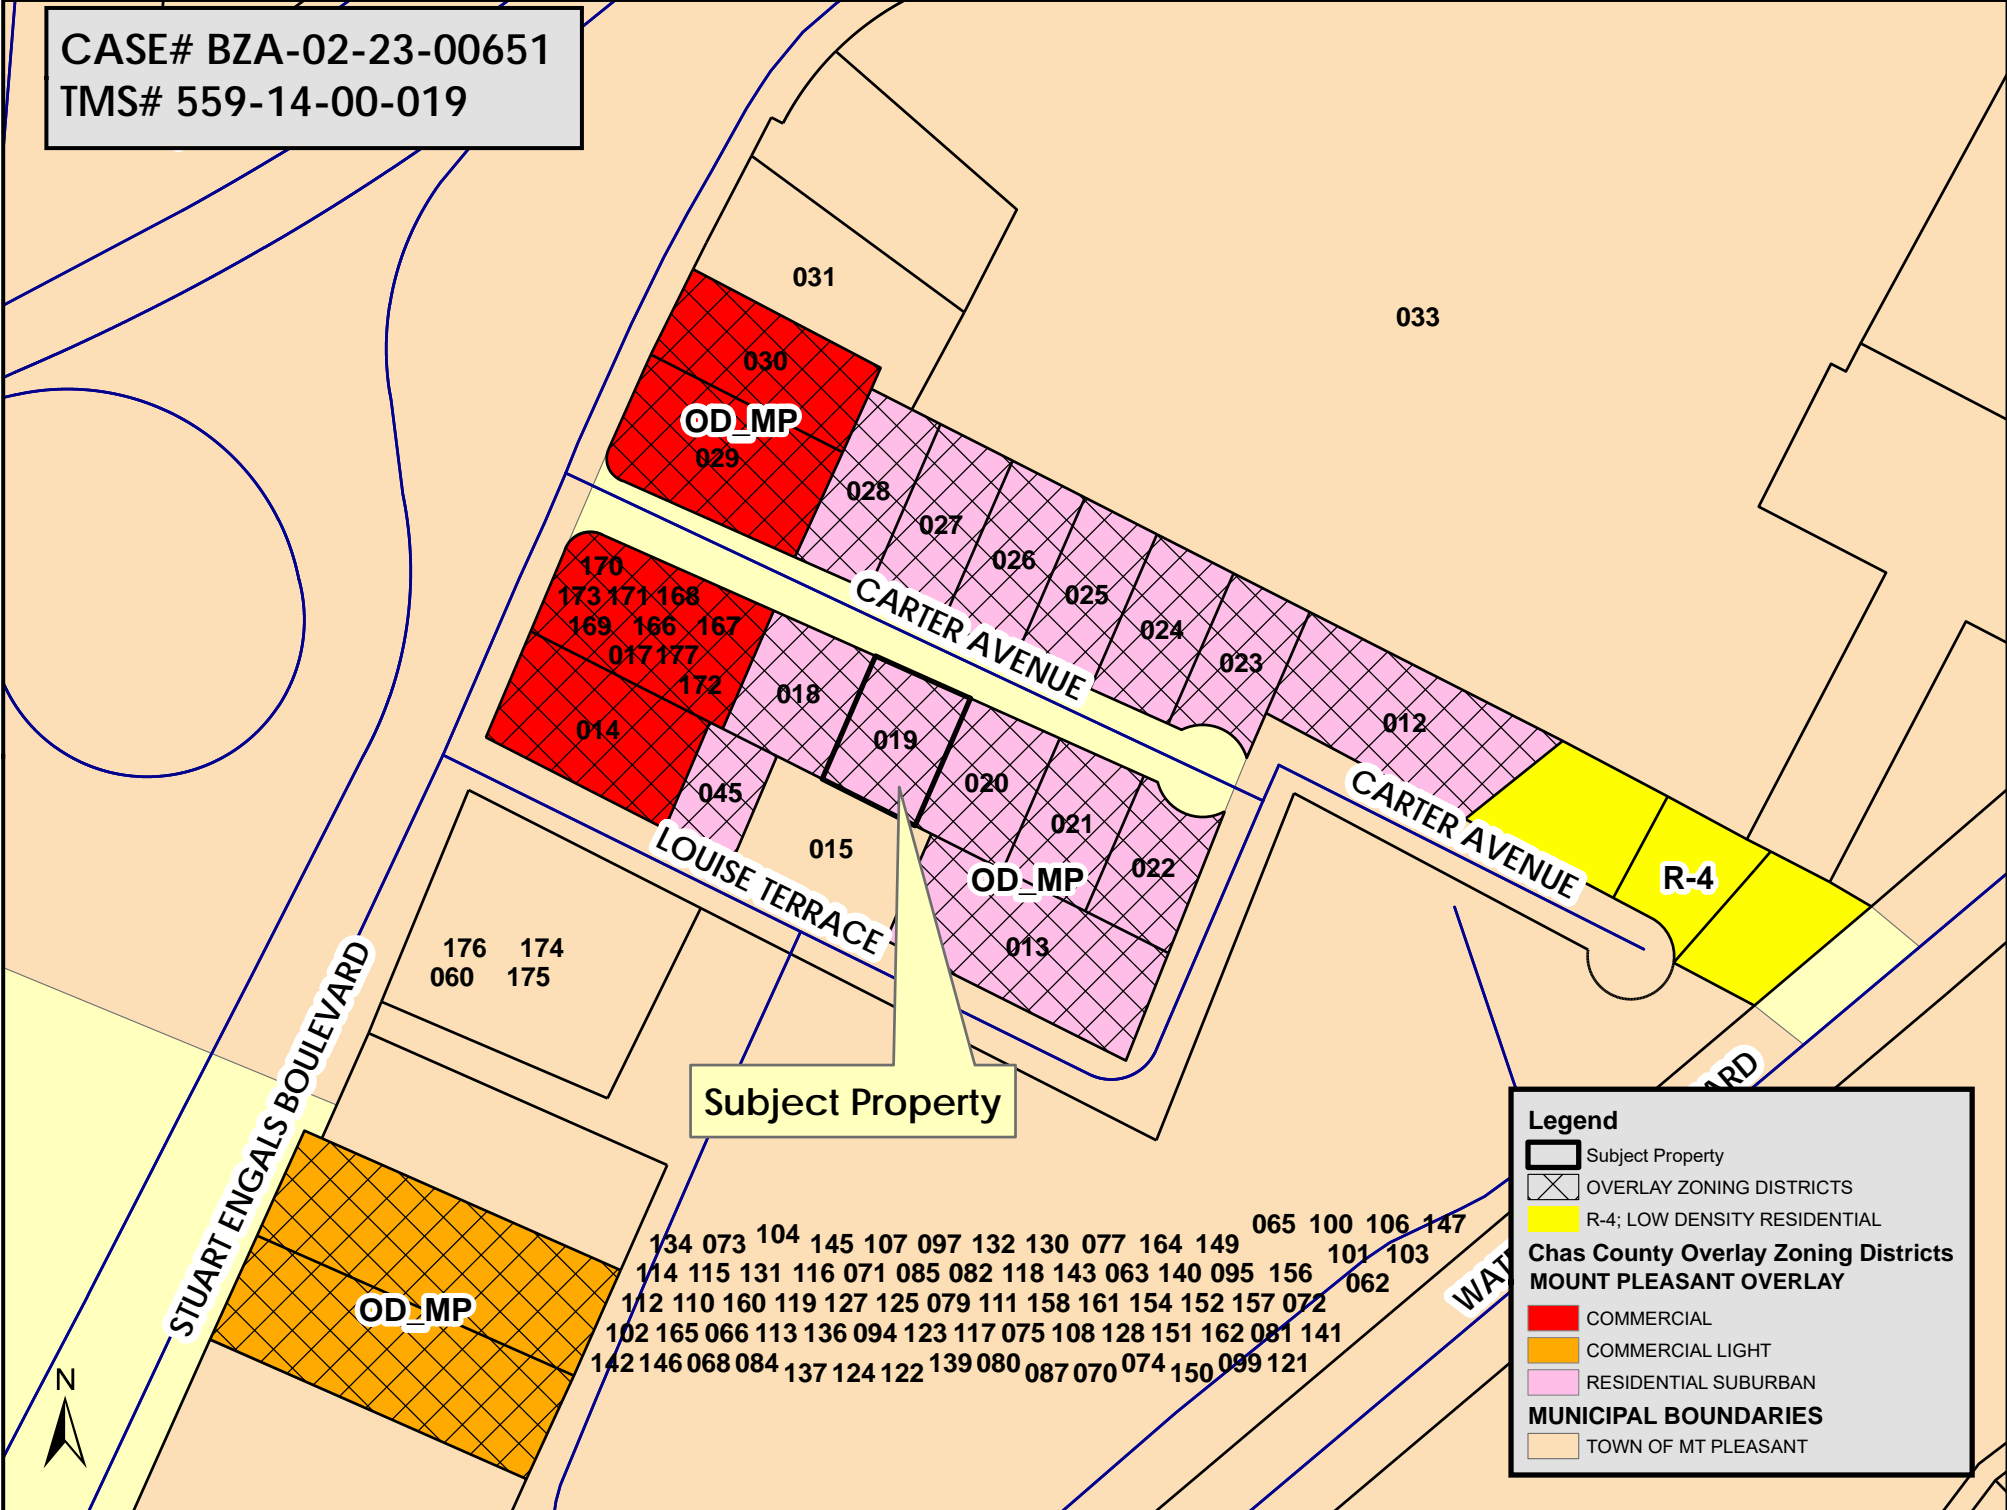

**Criteria and Findings.** In determining whether to grant an extension of the amortization period for a Nonconforming STRP, and in determining the appropriate length of such an extension, the Board of Zoning Appeals shall consider the following factors:

- A. The gross income and expenses from the Nonconforming STRP since the use began;
- B. The amount of the property owner's investment in the Nonconforming STRP prior to July 24, 2018;
- C. The amount of such investment that has been or will have been realized at the conclusion of the five-year amortization period;
- D. The present actual and depreciated value of the property and improvements;
- E. The applicable Internal Revenue Service depreciation schedule;
- F. The total length of time the Nonconforming Use has existed;
- G. The existence or nonexistence of lease obligations, as well as any contingency clauses permitting termination of such lease;
- H. The remaining value and allowed uses of the property after discontinuing the Nonconforming Use;
- I. The ability of the property owner to change the use to a conforming use;
- J. The effects of the Nonconforming Use on the surrounding area;
- K. The extent to which the Nonconforming Use is incompatible with surrounding uses and properties;
- L. The interference with or threat to the public health, safety, and welfare of the community; and
- M. Any other factor the Board of Zoning Appeals reasonably determines is related to determining whether the investment in the Nonconforming Use has been recovered.

The Board of Zoning Appeals shall receive and consider evidence presented by the Applicant, and shall make findings that the amortization period it establishes is reasonable in view of the evidence and the criteria set forth above.

**Proposal: Special Exception request to establish a Short-Term Rental Property, Extended Home Rental (EHR) in the Mount Pleasant Overlay (Suburban Residential) Zoning District.**

# Subject Property

**Staff Review:**

The applicant and property owner, Danielle Michaels of Cattleya Investments, LLC, is requesting a Special Exception to establish a Short-Term Rental Property, Extended Home Rental (EHR) in the Mount Pleasant Overlay (Suburban Residential) Zoning District at 1132 Carter Avenue TMS # (559-14-00-019) in the East Area of Charleston County. The subject property and all surrounding properties are located in Mount Pleasant Overlay (Suburban Residential) Zoning District with the exception of the property to the south that is located in the Town of Mount Pleasant's jurisdiction.

The property contains a single-family residence with two (2) bedrooms that was constructed in 1956 per Charleston County records. The applicant would like to rent the two-bedrooms in the single-family residence. They have provided 4 parking spaces.

The applicant's letter of intent explains, *"I am proposing to make my house an extended short-term rental. It is a small bungalow that was updated to bring up the appearance of the neighborhood. It is a 2-bedroom 1 bathroom."*

Please note that if the BZA approves this request, they may restrict the number of days the Short-Term Rental Property (STRP) may be rented in aggregate during any calendar year.

The Charleston County Zoning and Land Development Regulations Ordinance (ZLDR), Chapter 6 Use Regulations, Article 6.1 Use Types and Use Table, Sec. 6.1.3 Special Exception Uses states, *"An "S" indicates that a use type is allowed only if reviewed and approved in accordance with the Special Exception procedures of this Ordinance, subject to compliance with use-specific conditions and all other applicable regulations of this Ordinance."* Sec. 6.1.6 Table 6.1-1 Use Table indicates that Short-Term Rentals, Extended Home Rental (EHR) in the Special Management (S-3) Zoning District is a use type allowed only if it complies with use-specific conditions of (Article 6.8 Short-Term Rentals) all other applicable regulations of this Ordinance and is approved by the BZA as a Special Exception.

Staff conducted a site visit on March 9, 2023. Please review the attachments for further details regarding this request.

**Article 6.8 Short-Term Rentals, Sec. 6.8.2 Permitting Processes, C. Special Exception:** Notwithstanding the provisions of Art. 3.6, *Special Exceptions*, of this Ordinance, the following approval criteria shall apply to STRPS in place of those contained in Sec. 3.6.5 of this Ordinance if a Special Exception is required to obtain a STRP Zoning Permit based on the Permitting Process provided in Table 6.8.2 of this Article:

§6.8.2C.(1): *Is compatible with existing uses in the vicinity and will not adversely affect the general welfare or character of the immediate community;*

Response: **The applicant's letter of intent states,** *"This area is mixed use property though out the neighborhood, this house will bring new people into the neighborhood who will also use it as a residence when they are in the area. The property Management company which manages this property*

thoroughly vets each guest even more than a long-term renter.” **Therefore, the request may meet this criterion.**

§6.8.2C.(2): Adequate provision is made and/or exists for such items as: Setbacks, buffering (including fences and/or landscaping) to protect adjacent properties from the possible adverse influence of the proposed STRP use, such as noise, traffic congestion, trash, parking, and similar factors; and

Response: **The applicant’s letter of intent states, “The back yard is completely fenced with a 6foot privacy fence. Further, I employ a Property Management company who thoroughly vets the guests and ensures only good quality tenants are approved. All parking is off street, trash is located behind the fence with my neighbor employed to take them out every Sunday night. Noise devices are set up in each house.” Therefore, the request may meet this criterion.**

§6.8.2C.(3): Complies with all applicable rules, regulations, laws and standards of this Ordinance, including but not limited to any use conditions, zoning district standards, and applicable STRP Site Plan Review requirements of this Ordinance.

Response: **The applicant is currently in the STRP, Limited Site Plan Review process to ensure the property is in compliance with the applicable requirements of this Ordinance and to coordinate with other pertinent regulatory agencies including Revenue Collections (Business License) and Building Inspection Services. In addition, the applicant’s letter of intent states, “The proposed use would comply with all applicable rules as it would be used as a single residence in short periods of time. The neighbors and I have a great relationship and they know if there ever is a problem I will take care of it. They also know that if they need anything I will help them as I have done in the past.” Therefore, the request may meet this criterion.**

All other provisions and requirements of Art. 3.6, Special Exceptions, shall apply.

**Board of Zoning Appeals’ Action:**

**Description of Request**

*Please describe your proposal in detail. You may attach a separate sheet if necessary. Additionally, you may provide any supporting materials that are applicable to your request (photographs, letter of support, etc.)*

I am proposing to make my house an extended short term rental. It is a small bungalow that was updated to bring up the appearance of the neighborhood. It is a 2 bedroom 1 bathroom.

**Applicant's response to Article 6.8 Short-Term Rentals, §6.8.2 Operating Standards and Requirements, C. Special Exception**

**Special Exceptions may be approved only if the Board of Zoning Appeals finds that the proposed use meets all 3 of the approval criteria. In evaluating your request, the members of the board will review the answers below as a part of the case record. You may attach a separate sheet if necessary.**

1. Describe how the proposed use is compatible with existing uses in the vicinity and will not adversely affect the general welfare or character of the immediate community.

this area are mixed use property though out the neighborhood, this house will bring new people into the neighborhood who will also use it as a a residence when they are in the area. The property Managment company which manages this property throughly vets each guest even more than a long term renter.

2. Describe what adequate provisions are being made and/or exists, for such items as: setbacks, buffering (including fences and/or landscaping) to protect adjacent properties from the possible adverse influence of the proposed STRP use, such as noise, traffic congestion, trash, parking, and similar factors.

The back yard is completely fenced with a 6foot privacy fence. Further, I employ a property Managment company who throughly vets the guests and ensures only good quality tenants are approved. All parking is off street, trash is located behind the fence with my neighbor employed to take them out every Sunday night. Noise devices are set up in each house.

3. Explain how the proposed use complies with all applicable rules, regulations, laws and standards of this Ordinance, including but not limited to any use conditions, zoning district standards, and applicable STRP Site Plan Review requirements of this Ordinance.

The proposed use would comply with all applicable rules as it would be used as a single residence in short periods of time. The neighbors and I have a great relationship and they know if there ever is a problem I will take care of it. They also know that if they need anything I will help them as I have done in the past.
