## CHAPTER 6 | USE REGULATIONS

### ARTICLE 6.8 SHORT-TERM RENTALS

#### Sec. 6.8.1 Purpose and Applicability

**A. Purpose.** The County is committed to working to protect the traditional quality of life and character of its residential neighborhoods. The County has concerns about permitted Short-Term Rentals resulting in increased traffic, noise, trash, parking needs, safety and possible adverse impacts and other undesirable changes to the nature of the County's neighborhoods. Therefore, after providing many opportunities for public input and following careful study and consideration, County Council finds it appropriate and in the best interests of its residents, property owners, and visitors to regulate Short-Term Rental Properties (STRPs) within unincorporated Charleston County.

This Article sets out standards for establishing and operating Short-Term Rental Properties. These regulations are intended to provide for an efficient use of Dwellings as STRPs by:

1. Providing for an annual permitting process to regulate STRPs;
2. Balancing the interests of properties that are frequently used in whole or in part by Short-Term Rental Tenants;
3. Allowing homeowners to continue to utilize their residences in the manner permitted by this Ordinance for the Zoning District in which a particular Dwelling is located;
4. Providing alternative accommodation options for lodging in residential Dwelling Units; and
5. Complementing the accommodation options in environments that are desirable and suitable as a means for growing tourism.

**B. Applicability.**

1. *Short-Term Rental Types.* The following Short-Term Rentals shall be authorized pursuant to this Article:

- a. STRP, *Limited Home Rental (LHR)*;
- b. STRP, *Extended Home Rental (EHR)*; and
- c. STRP, *Commercial Guest House (CGH)*.

2. *Applicable Zoning Districts.* STRPs shall be allowed within the Zoning Districts of this Ordinance in accordance with Table 6.1.1, *Use Table*, applicable Overlay and Special Purpose Zoning District Regulations, and as approved in Planned Development Zoning Districts. Planned Development Zoning Districts that do not specify STRPs as an allowed use must be amended to allow STRPs.

3. *Application.* Applications for STRPs shall be made in compliance with this Article.

4. *Variances.* Variances from the requirements of Sec. 6.8.3.A, *Use Limitations and Standards*, are prohibited.

**C. Registration.** All STRPs require a Zoning Permit and Business License, which must be renewed annually pursuant to this Article.

**D. Compliance with Other Regulations.** All STRPs, including Nonconforming Uses as allowed for in this Article, shall comply with all applicable local, state, and federal rules and regulations.

(Ord. No. 2316, 10/29/2024)

Effective on: 10/29/2024, as amended

The Building Inspection Services Department may require a building safety inspection and/or Building Permit as a condition of the STRP Site Plan Review approval.

#### **Sec. 6.8.4 Enforcement and Violations**

---

- A. Notwithstanding the provisions of [CHAPTER 11, Violations, Penalties, and Enforcement](#), of this Ordinance, a STRP Zoning Permit may be administratively revoked by the Zoning and Planning Director or his designee if the STRP has violated the provisions of this Article on three or more occasions within a 12-month period. However, a STRP Zoning Permit may be immediately revoked if the Zoning and Planning Director determines the STRP has Building Code violations, there is no current Business License for the property, the property is being used in a manner not consistent with the Zoning Permit issued for the STRP use, or the advertisement for the STRP does not include the County issued STRP Zoning Permit Number and Business License Number for the current year.
- B. #### **Sec. 6.8.5 Amortization of Nonconforming STRPs**

---

The South Carolina Local Government Comprehensive Planning Enabling Act of 1994, as amended (Planning Act) authorizes local governments to terminate a nonconformity by specifying the period or periods in which the nonconformity is required to cease or be brought into compliance pursuant to S.C. Code Ann. Section 6-29-730 (2007).

Therefore, if a Dwelling was legally used as a STRP prior to July 24, 2018, the Dwelling may continue as a Nonconforming Use pursuant to [CHAPTER 10, Nonconformities](#), of this Ordinance until July 24, 2023 to allow for the recovery or amortization of the investment in the Nonconforming Use, after which the Nonconforming Use as a STRP shall terminate.

During the amortization period, all Nonconforming STRPs must comply with all other requirements of this Article as is reasonably possible, including but not limited to, making an application for a Short-Term Rental Permit. Exceptions will be made for restrictions on maximum number of rental days, special exceptions use conditions, owner occupancy status, or use subject to conditions.

Not less than 60 days before the end of the amortization period, the owner of the Dwelling may request a special exception to the amortization period. All requests shall be made to Board of Zoning Appeals in writing, and all decisions shall be subject to the provisions of Art. 3.6 of the ZLDR except for Art. 3.6.1 and Art. 3.6.5.

The Board of Zoning Appeals may grant an extension of the time of the amortization period if the owner of the Nonconforming STRP proves that he is unable to recoup his investment in such property by the conclusion of the amortization period.

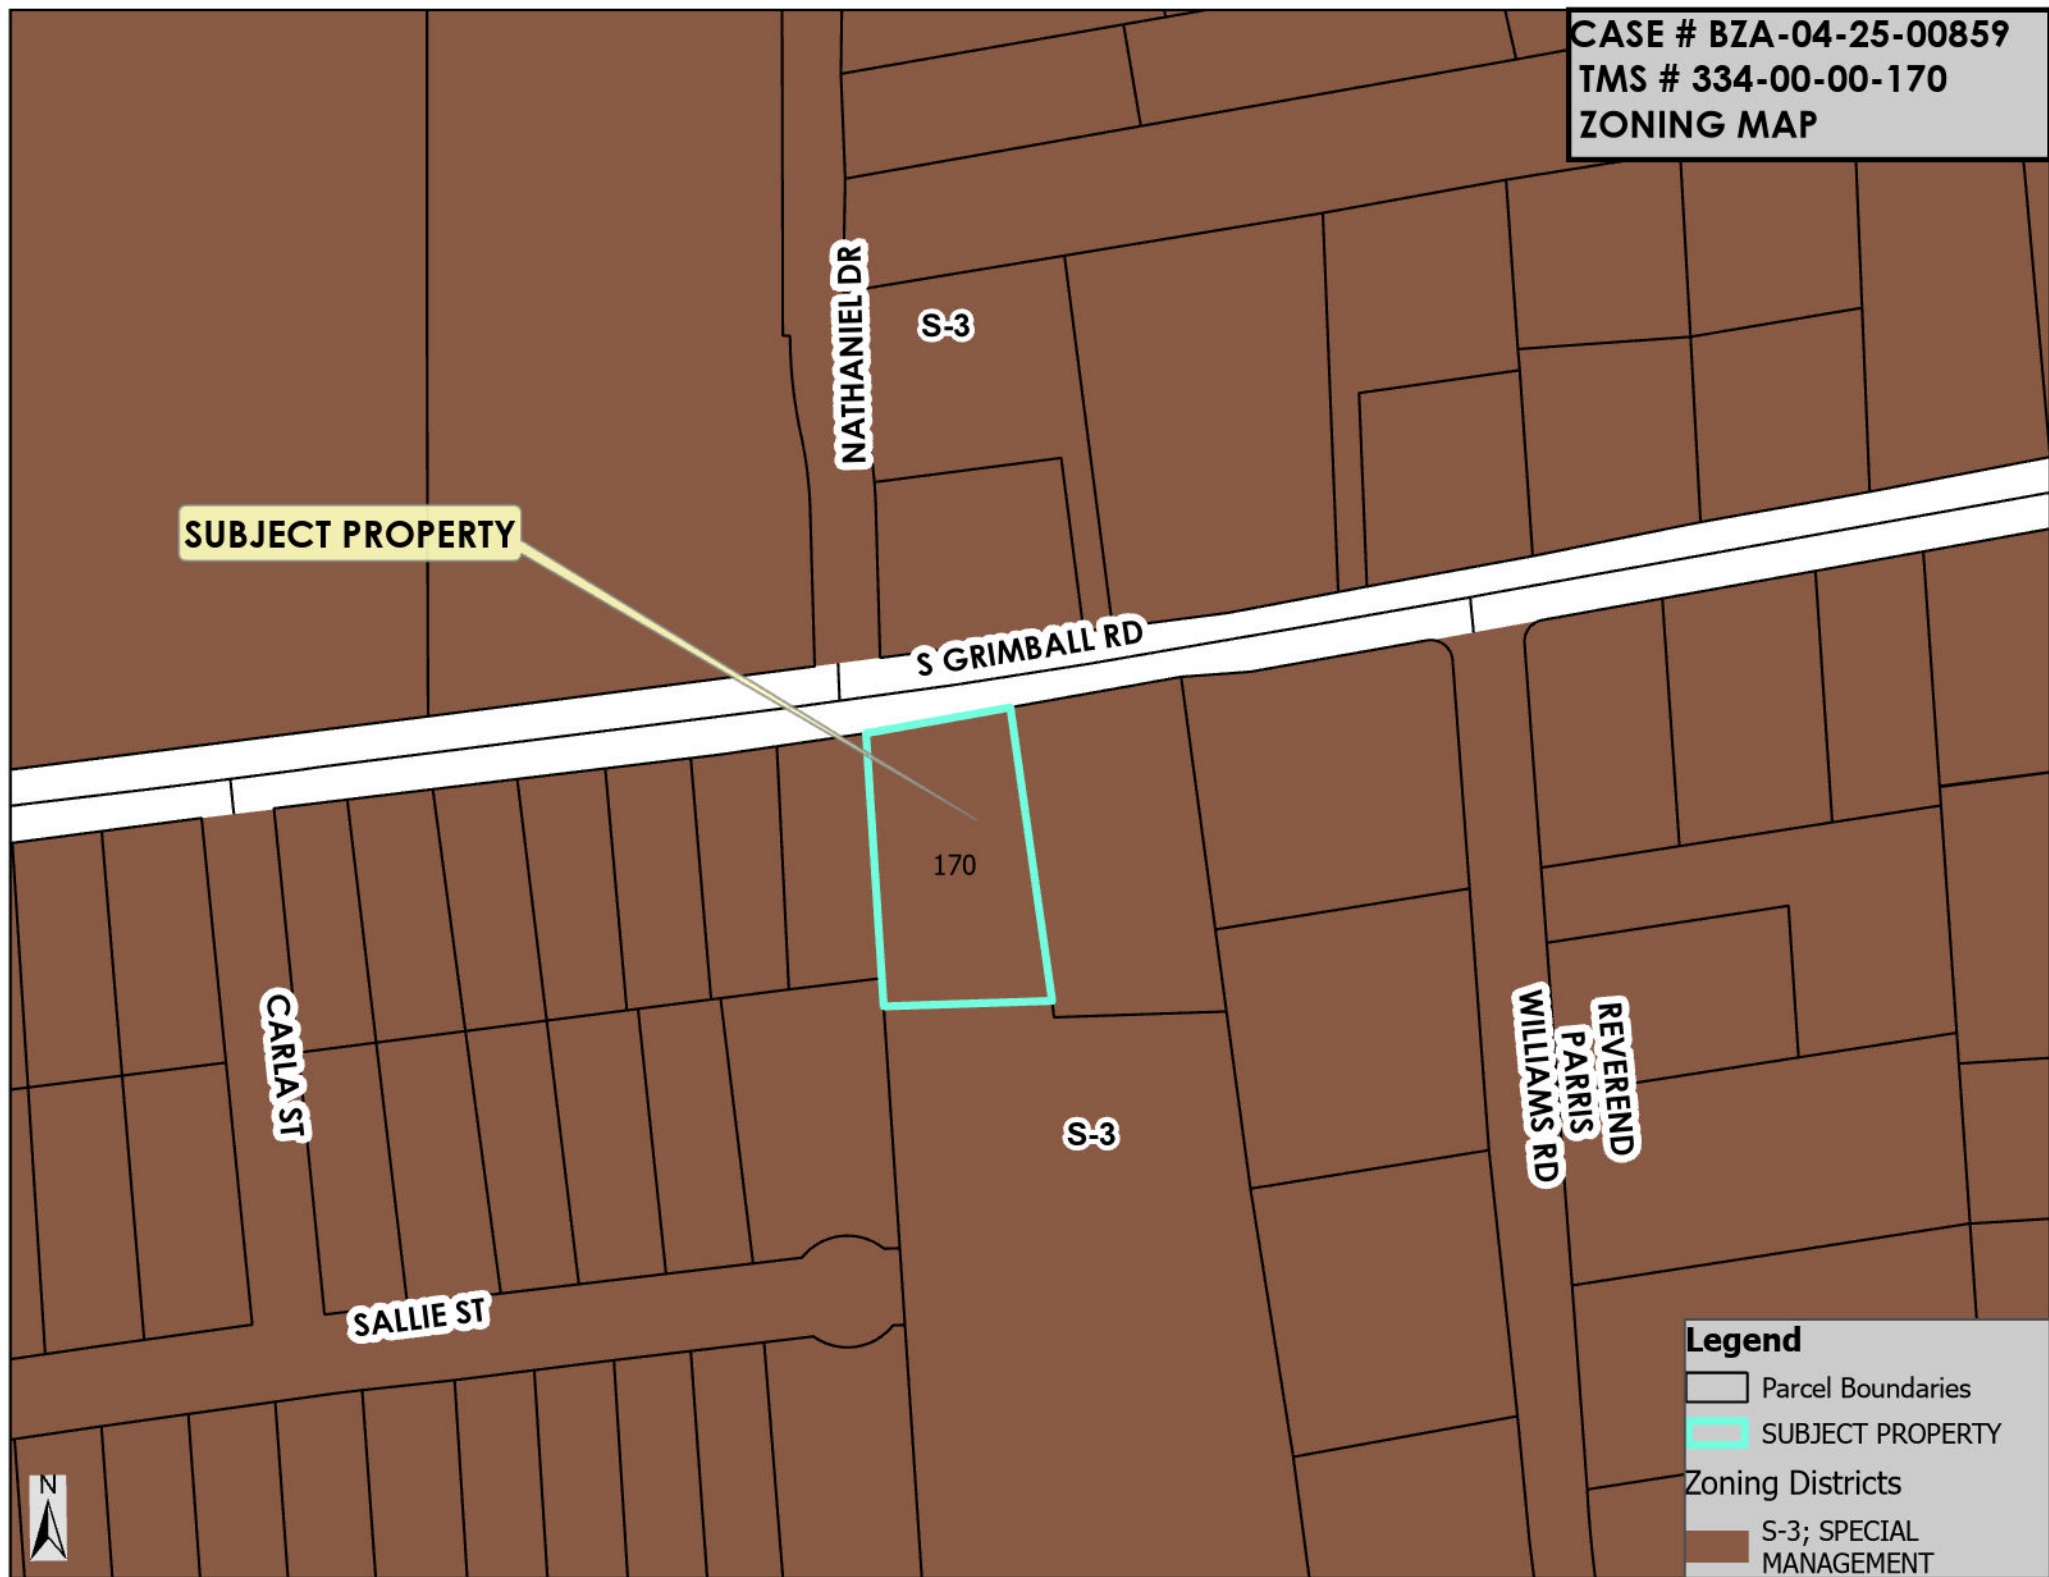

**Criteria and Findings.** In determining whether to grant an extension of the amortization period for a Nonconforming STRP, and in determining the appropriate length of such an extension, the Board of Zoning Appeals shall consider the following factors:

- A. The gross income and expenses from the Nonconforming STRP since the use began;
- B. The amount of the property owner's investment in the Nonconforming STRP prior to July 24, 2018;
- C. The amount of such investment that has been or will have been realized at the conclusion of the five-year amortization period;
- D. The present actual and depreciated value of the property and improvements;
- E. The applicable Internal Revenue Service depreciation schedule;
- F. The total length of time the Nonconforming Use has existed;
- G. The existence or nonexistence of lease obligations, as well as any contingency clauses permitting termination of such lease;
- H. The remaining value and allowed uses of the property after discontinuing the Nonconforming Use;
- I. The ability of the property owner to change the use to a conforming use;
- J. The effects of the Nonconforming Use on the surrounding area;
- K. The extent to which the Nonconforming Use is incompatible with surrounding uses and properties;
- L. The interference with or threat to the public health, safety, and welfare of the community; and
- M. Any other factor the Board of Zoning Appeals reasonably determines is related to determining whether the investment in the Nonconforming Use has been recovered.

The Board of Zoning Appeals shall receive and consider evidence presented by the Applicant, and shall make findings that the amortization period it establishes is reasonable in view of the evidence and the criteria set forth above.

**Staff Review:**

The applicant and property owner, Dr. Stewart Middleton, Trustee for the Daniel Middleton, Sr. Trust, is requesting a Special Exception to establish a Short-Term Rental Property, Extended Home Rental (EHR) in the Special Management (S-3) Zoning District at 1843 South Grimball Road (TMS # 334-00-00-170) on James Island in Charleston County. The subject property and surrounding properties are located in the Special Management (S-3) Zoning District.

The property is 0.49-acres and contains a single-family residence with three (3) bedrooms that was constructed in 1970 per Charleston County records. The applicant would like to rent three (3) bedrooms and will provide five (5) parking spaces pursuant to the *Charleston County Zoning and Land Development Regulations Ordinance (ZLDR)* parking requirements. The maximum number of guests allowed will be ten (10). The property is not owner occupied; therefore, the property is not eligible for Limited Home Rental (LHR).

ZLDR defines "Owner-Occupied Short-Term Rental Property" as "A property with a Dwelling where lodging is offered, advertised, or provided to Short-Term Rental Tenants (excluding Family members) for individual rental terms not exceeding 29 consecutive days for a fee or any form of compensation, and which is occupied by the record owner of the Subject Property who has designated the Subject Property as his/her legal residence subject to the legal assessment ratio according to the records of the County Assessor's Office and who:

- A. Has designated the Subject Property as his/her legal voting address; or
- B. Has designated the Subject Property as the address on his/her driver's license or other government issued identification."

The applicant's letter of intent states, "The proposed use of this EHR property is to maintain the character of the residential neighborhood and to provide alternative accommodation options for lodging for our tourists and travelers, which will increase the local business economy and tourism. The proposed use is in compliance with applicable rules, regulations, laws, and standards of Article 3.6, Special Exceptions and Article 6.8, Short-Term Rentals, of the Charleston County ZLDR. Please see Exhibit three (3) for a letter of support from neighbors for this proposed use."

The Charleston County Zoning and Land Development Regulations Ordinance (ZLDR), Chapter 6 Use Regulations, Article 6.1 Use Types and Use Table, Sec. 6.1.3 Special Exception Uses states, "An "S" indicates that a use type is allowed only if reviewed and approved in accordance with the Special Exception procedures of this Ordinance, subject to compliance with use-specific conditions and all other applicable regulations of this Ordinance." Sec. 6.1.6 Table 6.1-1 Use Table indicates that Short-Term Rentals, Extended Home Rental (EHR) in the Low Density Residential (R-4) Zoning District is a use type allowed only if it complies with use-specific conditions of (Article 6.8 Short-Term Rentals) all other applicable regulations of this Ordinance and is approved by the BZA as a Special Exception.

Staff conducted a site visit on May 15, 2025. Please review the attachments for further information regarding this request.

**Article 6.8 Short-Term Rentals, Sec. 6.8.2 Permitting Processes, C. Special Exception:**

Notwithstanding the provisions of Art. 3.6, Special Exceptions, of this Ordinance, the following approval criteria shall apply to STRPS in place of those contained in Sec. 3.6.5 of this Ordinance if a Special Exception is required to obtain a STRP Zoning Permit based on the Permitting Process provided in Table 6.8.2 of this Article:

§6.8.2C.(1): *Is compatible with existing uses in the vicinity and will not adversely affect the general welfare or character of the immediate community;*

**Response:** **The proposed Short-Term Rental Property (STRP) use may be compatible with existing uses in the vicinity and may not adversely affect the general welfare or character of the immediate community. The applicant's letter of intent states, "The proposed use is compatible and suitable with the exiting uses in the vicinity. It offers a relaxing, home-life living environment. The single-family detached dwelling has been located on this property as part of this community for over seventy-five (75) years. The dwelling was home for the applicant's deceased grandparents. The dwelling was known as a home for people who were hard-working, religious, and good neighbors. The dwelling was recently renovated and is cable and Wi-Fi ready. Exterior design includes front and side porches. Security system has multiple exterior cameras and flood lights on all corners of dwelling. Dwelling size and color are similar to existing homes in the community. The proposed use does not adversely affect the general welfare or character of the immediate community. Proposed use continues the traditional general welfare and character of the community offering convenient access to: sidewalks for walking, biking, and pet-friendly activities; the new James Island library located directly across from the dwelling, individual and family events on nearby Folly Beach, and many places of worship. Further, the proposed use is in close vicinity to community shopping, dining, and entertainment places." Therefore, the request may meet this criterion.**

§6.8.2C.(2): *Adequate provision is made and/or exists for such items as: Setbacks, buffering (including fences and/or landscaping) to protect adjacent properties from the possible adverse influence of the proposed STRP use, such as noise, traffic congestion, trash, parking, and similar factors; and*

**Response:** **Adequate provisions have been made and/or exist for such items as: setbacks, buffering (including fences and/or landscaping) to protect adjacent properties from the possible adverse influence of the proposed STRP use, such as noise, traffic congestion, trash, parking, and similar factors. The applicant's letter of intent states, "Adequate provisions exist for the proposed EHR. The dwelling is located on approximately a half-acre lot beautifully landscaped. The home is setback approximately sixty-four (64) feet from the street. RE: Letter of Support for EHR at 1843 South Grimball Road

I am writing to support the EHR being planned for 1843 South Grimball Road, James Island by my neighbor, Dr. Stewart Middleton. This is a house built by Dr. Middleton's grandparents. It has a great family history, and I am pleased to see how well the house has been restored and cared for. The Middleton's family house has been in our neighborhood prior to the 1960's when our family moved to the Barnhill Community area. Dr. Middleton's grandmother was a pillar in the community, and I enjoyed visiting her home. I am happy to have such a wonderful house preserved in the neighborhood.

In the Barnhill Community, we aim to keep the look of this historical home while reimagining other uses for it that will aid in its continued upkeep and offer lodging for tourists, and others when they come home to visit their family. Having an EHR provides this opportunity while aiding in the support of its maintenance and repair. The Middletons are hardworking people, easy to talk with, and their property is well kept. I have known Stewart and his family for sixty-five years, and I am reassured that he will maintain a good relationship with the community in this new venture.

In re: Letter of Support for EHR at 1843 South Grimball Road

I am writing to support the EHR for 1843 South Grimball Road. My home is located directly behind 1843 South Grimball Road. This house has been part of our family all my life. I remember as a child more than 50 years ago, many people visiting and living in this house. My relatives living there were well known and respected in the community. I admire how my cousin, Dr. Stewart Middleton, we call Stoddie, has restored and maintained the house. We are very proud of our community. I believe Stewart will continue to keep the property up, and use it as a comfortable place for visitors.
