**APPROVAL CRITERIA**

Comprehensive Plan Amendment (ACP-12-19-00116)

According to Section §3.2.6 of the *Zoning and Land Development Regulations Ordinance (ZLDR)*, applications for Comprehensive Plan Amendments may be approved only if County Council determines the proposed amendment is consistent with the overall purpose and intent of the Plan and that any one of the following criteria are met:

A. There was a significant error in the original Comprehensive Plan adoption;
B. In adopting the Comprehensive Plan, the County Council failed to take into account facts, projections, or trends that were reasonably foreseeable to exist in the future;
C. Events, trends, or facts after adoption of the Comprehensive Plan have changed the County Council’s original findings made upon plan adoption;
D. Events, trends, or facts after adoption of the Comprehensive Plan have changed the character or condition of an area, making the proposed amendment necessary;
E. The proposed Comprehensive Plan Amendment is requested pursuant to and complies with Article 3.17, Developments of County Significance; or
F. The proposed Comprehensive Plan Amendment is consistent with the comprehensive plan future land use recommendations of adjacent municipalities that have adopted extra-territorial jurisdiction for the subject parcel(s).

**Applicant’s Response:**

The applicant’s letter of intent states that Criterion D is met as, “… Steen Enterprises (a farm equipment dealership) has grown considerably since the inception of the Comprehensive Plan and Parkers Ferry Overlay District. The business has encroached onto property that is currently zoned residential. The same person owns both the business and residential property. The properties are contiguous, and the encroachment was inadvertent. This appeal for amendment is to correct the zoning to reflect the current business and potential future growth.”

ZLDR Text Amendment Application (ZLDR-12-19-00119)

According to Section §3.3.6 of the *Zoning and Land Development Regulations Ordinance (ZLDR)*, applications for ZLDR Text Amendments may be approved only if County Council determines that the following criteria are met:

A. The proposed amendment corrects an error or inconsistency or meets the challenge of a changing condition;
B. The proposed amendment is consistent with the adopted Charleston County Comprehensive Plan and goals as stated in Article 1.5; and
C. The proposed amendment is to further the public welfare in any other regard specified by County Council.

**Applicant’s Response:**
The applicant’s letter of intent states that the proposed amendment complies with Criteria A, B and C above as, “This proposed amendment corrects an inconsistency by updating outdated property lines. Rezoning an 8.363-acre portion of TMS 121-00-00-009 with TMS 121-00-00-010 will make a properly zoned, contiguous property that accurately reflects how the business has expanded. The proposed amendment is consistent with the adopted Charleston County Comprehensive Plan as stated in Article 1.5 sections: The property has historically been a farm equipment dealership and will remain as such. The scenic qualities will improve while protecting the historic fabric of the community and ecologically sensitive Caw Caw Swamp. The public welfare will be improved by providing a safer and more accessible facility. The farming community’s needs will be better met because the original business has expanded with growing needs and technology in the industry, and suppliers to the area farming industry are in need of local dealers for these types of goods. With this expansion of the business, additional acreage is required to be obtained, but a change in zoning will also be required when the property boundaries are moved. As a farm equipment dealership, the new property and facility will be attractive and appropriate in a rural community. Amending the property will allow Steen Enterprises to grow and contribute to the economical soundness of the county…”

If the Comprehensive Plan Amendment request (ACP-12-19-00116) is approved, then the proposed ZLDR Text Amendment (ZLDR-12-19-00119) is consistent with the guidelines set forth in the Comprehensive Plan, and staff recommends approval.

Comprehensive Plan Amendment Application – August 25, 2016
12/23/2019

Charleston County Zoning & Planning  
4045 Bridge View Drive  
North Charleston, SC 29405

To whom it may concern,

Steen Enterprises Inc. is respectfully requesting an amendment to the Comprehensive Plan to correct the zoning for the type of business occupying the property. Steen Enterprises seeks to come into compliance for not only the county and community, but also for proper future development.

*Comprehensive Plan Sec. 3.2.6 D.*  
"Events, trends, or facts after adoption of the Comprehensive Plan have changed the character or condition of an area making the proposed amendment necessary;"

With regards to Sec. 3.2.6 D., Steen Enterprises (a farm equipment dealership) has grown considerably since the inception of the *Comprehensive Plan and Parkers Ferry Overlay District*. The business has encroached onto property that is currently zoned residential. The same person owns both the business and residential property. The properties are contiguous, and the encroachment was inadvertent. This appeal for amendment is to correct the zoning to reflect the current business and potential future growth.

Respectfully,

Adam W. Steen

North Charleston, SC 29405

To whom it may concern,

Steen Enterprises Inc. is respectfully proposing a ZLDR amendment to correct the zoning for the type of business occupying the property. Steen Enterprises’ footprint encompasses several residential properties that lines that are outdated. Steen Enterprises is seeking to come into compliance by updating the property lines and zoning. Steen Enterprises proposes the changes not only for the county and community, but also for proper future development.

Sec. 3.3.6 Approval Criteria
Comments:
A. This proposed amendment corrects an inconsistency by updating outdated property lines. Rezoning an 8.363-acre portion of TMS 121-00-00-009 with TMS 121-00-00-010 will make a properly zoned, contiguous property that accurately reflects how the business has expanded.

B. The proposed amendment is consistent with the adopted Charleston County Comprehensive Plan as stated in Article 1.5 sections:

d. The property has historically been a farm equipment dealership and will remain as such. The scenic qualities will improve while protecting the historic fabric of the community and ecologically sensitive Caw Caw Swamp.

h. The public welfare will be improved by providing a safer and more accessible facility. The farming community’s needs will be better met because the original business has expanded with growing needs and technology in the industry, and suppliers to the area farming industry are in need of local dealers for these types of goods. With this expansion of the business, additional acreage is required to be obtained, but a change in zoning will also be required when the property boundaries are moved.
i. As a farm equipment dealership, the new property and facility will be attractive and appropriate in a rural community.

j. Amending the property will allow Steen Enterprises to grow and contribute to the economical soundness of the county. As previously stated, because the original business has expanded with growing needs and technology in the industry, and suppliers to the area farming industry need local dealers for these types of goods. With this expansion of the business, additional acreage is required to be obtained, but a change in zoning will also be required when the property boundaries are moved.

C. The proposed amendment was not specified by County Council.

Respectfully,

Adam W. Steen  
Owner/GM, Steen Enterprises
