Dear Business Partner,

Once again, Charleston County and NASA have partnered to bring you the COUNTDOWN TO SUCCESS Supplier Summit and STEM Experience on March 25, 2020. In order to make this event a success, we are pleased to offer you an out-of-this-world opportunity to be a sponsor and exhibitor. The COUNTDOWN TO SUCCESS Supplier Summit and STEM Experience will be held at The College Center at Trident Technical College in North Charleston. Attendees will:

- Meet NASA officials, their prime contractors, and small business specialists from around the country explaining the many opportunities to do business with NASA, including their technology transfer program
- Hear keynote speaker Major General Charles F. Bolden, Jr, former NASA administrator at the Supplier Summit luncheon
- Visit exhibitors from local and national companies, government agencies, and defense contractors
- Participate in the Business to Business Networking Event, facilitated by the SC Department of Commerce
- Interact with our future's workforce by taking a ride through the STEM Experience in an autonomous shuttle

Charleston County and NASA are also working with the tri-county school districts to bring the COUNTDOWN TO SUCCESS STEM Experience to local high school students at Trident Technical College's brand new Aeronautical Center. At this event, nearly 1,000 students will:
