

Charleston County News Release

Release Number: 3111

Date: May 13, 2010

Construction Begins on US 17/Davison Road Intersection Improvements

Overnight lane closures on US 17 in Red Top area of West Ashley on May 13 and 16-21

[Charleston County Government](#) announces that construction is beginning on improvements to the intersection of US 17 and Davison Road, which is located in the Red Top area of West Ashley, in order to improve traffic safety.

Work will begin with temporary, overnight lane closures in both directions of US 17 on May 13 and again on May 16-21 to allow work crews to grade and repave the road.

At no point will the entire roadway be blocked to traffic.

The public is asked to take notice of traffic control signs and message board information. All road work is dependent on the weather.

The project description is as follows:

- New acceleration and deceleration lanes
- New dedicated turn lanes

The project, which is expected to be completed in June 2010, is funded by the [Charleston County Transportation Committee](#) (CTC) and managed by the [Charleston County Transportation Development Department](#).

Anyone with questions can contact the Charleston County Transportation Development Department at (843) 202-6151.
