Traffic Alert: March 3 Nighttime Lane Closures on Folly Road and Wesley Drive

[Charleston County Government](#) announces a new traffic alert for the [U.S. 17/S.C. 61/Wesley Drive Improvements Project](#) in West Ashley that will affect Folly Road and Wesley Drive as follows:

- Lanes on Folly Road and Wesley Drive between Yeamans Road and St. Andrews Boulevard (S.C. 61) will be closed for surveying work for one night on Thursday, March 3, from 9 p.m. - 12 a.m.
- Only one lane will be closed at any given time and at no point will the entire roadway be blocked to traffic.

If the weather is poor on the evening of March 3, the closure will occur at the same time on Monday, March 7.

Drivers traveling through the project area are asked to be aware of equipment and crews working in the area. Alternative routes are recommended if possible during the closure. The public is also asked to notice traffic control signs, reductions in speed limit and message board information, and to note that all road work is dependent on the weather.

The public can get up-to-date project information, including construction status and traffic alerts, online at http://www.ccroadwise.org/us17_sc61_wesley.html.

BACKGROUND ON THE PROJECT:

- Construction on the project began in January 2011. The goal of the project is to improve traffic flow, drainage, and pedestrian and bicyclist mobility.
 - The project, which is expected to be completed in May of 2011, is funded by the [Charleston County Transportation Sales Tax](#) and managed by [Charleston County Government's](#) RoadWise Program, in close coordination with the [City of Charleston](#) and the [S.C. Department of Transportation](#).
- The U.S. 17/S.C. 61/Wesley Drive Improvements Project includes improvements to Folly Road from south of Windermere Boulevard (Wappoo Bridge side) starting at Yeamans Road and continuing up Wesley Drive to St. Andrews Boulevard (S.C. 61).
- The project also includes improvements to Folly Road Boulevard from Windermere Boulevard up to Albemarle Road.
- Every effort is being made to schedule necessary lane closures for the project during off-peak, nighttime and weekend hours when possible to minimize effects on traffic.
- Some lane closures may be scheduled during the day on selected weekends.
- Advance notice of all lane closures will be provided to the media.
- The U.S. 17/S.C. 61/Wesley Drive project was requested by the [City of Charleston](#) and approved by voters in [the first bond referendum](#). The voters of Charleston County authorized the County to issue \$77 million in bonds, which will be repaid through Transportation Sales Tax revenues. The entire amount of the first bond referendum is allocated for the following transportation improvement projects:
 - [Folly Road and Maybank Highway Intersection Improvements](#)

- [Glenn McConnell Parkway / Bees Ferry Road Intersection \(West Ashley Circle\)](#)
- [Harbor View Road Improvements](#)
- [**U.S. 17/S.C. 61/Wesley Drive Improvements**](#)
- [Palmetto Commerce Parkway](#)
- [US 17 / Johnnie Dodds Boulevard Improvements](#)
