

Charleston County

**ROADWISE**

A Program of Charleston County Government

## Charleston County News Release

Release Number: 3238

Release Date: March 4, 2011

**Project Web site:** [http://www.ccradwise.org/johnnie\\_dodds.html](http://www.ccradwise.org/johnnie_dodds.html)

**Project area map:** <http://www.ccradwise.org/file/images/jdbprojects.jpg>

## Traffic Alert: Bowman Road Traffic Shifts March 7-8

[Charleston County Government](#) announces a traffic alert as part of the [Johnnie Dodds Boulevard Improvements Project](#) in Mount Pleasant that will affect Bowman Road. The work is necessary to locate existing water and sewer lines.

### **March 7-8 nighttime traffic shift on Bowman Road:**

- Drivers should expect a shift in traffic on Bowman Road between Nason Medical Center and McDonalds on Monday, March 7, and Tuesday, March 8.
- The work will occur over the two-night period from 9 p.m. to 6 a.m. in an effort to reduce impact on drivers.
- If the weather is poor March 7 or 8, the work will be completed during the same timeframe on the next weather-permitting evening.

### **Background information on the project:**

- The goal of the project, which is expected to be completed in the fall of 2012, is to improve the traffic flow in and out of Mount Pleasant, especially before and after school and work hours.
- The project is funded by the [Charleston County Transportation Sales Tax](#) and managed by [Charleston County Government's](#) RoadWise Program, in close coordination with the [Town of Mount Pleasant](#) and the [S.C. Department of Transportation](#).
- Drivers traveling through the project area are asked to be aware of equipment and crews working in the area. Alternative routes are recommended if possible. The public is also asked to notice traffic control signs, reductions in speed limit and message board information, and to note that all road work is dependent on the weather. Every effort is being made to schedule necessary lane closures for the project during off-peak, nighttime and weekend hours when possible.
- This map indicates the three ongoing projects on U.S. 17 and the authority responsible for each project, including the County's work on Johnnie Dodds Boulevard:
