Release Date: May 19, 2011

Construction Complete on Five Transportation Sales Tax Projects

Pedestrian, drainage, paving and intersection improvement projects completed throughout County

[Charleston County Government](#) announces that construction is complete on five projects that were funded by the [Charleston County Transportation Sales Tax](#):

Center Street Intersection/Pedestrian Improvement Project on Folly Beach:

- The improvements were designed to enhance visibility and safety of the crosswalks as well as the streetscape along Center Street.
- Brick-patterned crosswalks were installed along Center Street at three intersections
- A curb ramp was replaced to provide proper access to all pedestrians and to meet Americans with Disabilities Act (ADA) requirements.
- The project was funded by the [Charleston County Transportation Sales Tax](#).
- [Charleston County Council](#) approved the project as a part of its 2011 [Transportation Sales Tax annual allocations](#) for intersection improvement projects.
