## Charleston County News Release

Release Number: 3550

Release Date: January 16, 2013

### **Traffic Alert: Bees Ferry Nighttime Road/Lane Closure Jan. 16-18**

[Charleston County Government](#) announces the following traffic alert regarding a nighttime road and lane closure for the [Bees Ferry Road Widening Project](#):

- 20-minute road closure along Bees Ferry Road at Dovehaven Court on Thursday, Jan. 17 from 4-4:20 a.m. so utilities can be relocated.
- Lane closure along Bees Ferry Road at Sanders Road from Jan. 16-18 between the hours 8 p.m. and 5 a.m. so workers can pave the surface.
- Workers will be present to stop traffic for the closure and to direct traffic through the lane closure.
- All road work is dependent on weather. If the weather is poor this week, work will continue on the next weather-permitting night.

Drivers traveling through the project's construction zone are asked to be aware of equipment and crews working in the area at all times. The public is also asked to notice traffic control signs, reductions in speed limit and message board information.

The goal of the project, which is expected to be completed April 2014, is to make improvements to the entire 4.5-mile length of Bees Ferry Road from Savannah Highway (U.S. 17) to Ashley River Road (S.C. 61). The project was requested by the [City of Charleston](#) and is funded by the [Charleston County Transportation Sales Tax Program](#). Partial funding for the project was approved by voters in the second Transportation Sales Tax bond referendum.

Visit the official website at <http://roads.charlestoncounty.org> for public meeting notices and up-to-date news and information about all Charleston County Transportation Sales Tax road projects.
