On Oct. 13, 2014, following a public input campaign that included five workshops, held in five different areas of Charleston County, the Charleston County Planning Commission made a recommendation to County Council to adopt the recommended *Comprehensive Plan* amendments to implement the Five-Year Review. The Planning Commission initially adopted a resolution completing the Five-Year Review of the *Comprehensive Plan* on Oct. 14, 2013. The Plan's amendments focus on the following objectives:

- Reviewing and revising the location of the Urban Growth Boundary for consistency with the Urban Growth Boundaries adopted by the City of Charleston and Town of Mount Pleasant.
- Reviewing and revising the Future Land Use designations, and goals, needs, and strategies of all 10 Plan elements.
- Updating the Annual Work Program and existing conditions and maps of all Plan elements utilizing updated demographic, statistical and GIS data.
