AN ORDINANCE
AMENDING ORDINANCE NUMBER 1772, AUTHORIZING AN EXCLUSIVE FRANCHISE FOR THE COLLECTION OF SOLID WASTE FROM HOUSEHOLDS IN UNINCORPORATED AREAS OF THE COUNTY AND OTHER MATTERS RELATED THERETO

WHEREAS, In 1974, County Council adopted Ordinance No. 180, codified as Section 10-16 et seq. of the Code of Ordinances of Charleston County, which established rules and regulations regarding the use and collection of solid waste in unincorporated areas of the County not serviced by a special public service district; and

WHEREAS, the Ordinance created door-to-door collection areas in the unincorporated portion of the County; and

WHEREAS, the Ordinance also provided for licensing of contractors to make door-to-door curbside pickups, and to bill subscribers on a quarterly basis; and

WHEREAS, the County has subsequently conducted competitive bids and awarded contracts for the collection of household garbage, construction and demolition debris and yard waste in the collection districts pursuant to the Ordinance, county solid waste department policies and other applicable laws, rules, and regulations; and

WHEREAS, County Council believes it to be in the best interest of the County government and the health and welfare of its citizens to reaffirm that the business of collecting and subsequently transporting, transferring, disposing and/or recycling of household solid waste generated, kept, or accumulated in the collection districts previously established affects the health, safety, public welfare, and quality of life of the inhabitants of the County; that the business of collecting and disposing of household solid waste is a public service and should continue to be regulated by the County; and that the use of any public street, road highway or other public property in connection with such business is of interest to the County and a proper subject of regulation; and

WHEREAS, the County has solicited or will solicit for these services, which resulted or will result in one or more bids, and awarded or will award a contract to a provider ("Waste Services Provider"), being the lowest responsive and responsible bidder with proposed fees that are reasonable; and

WHEREAS, County Council, in continuance of past precedent and practice, finds that the exclusive contract to be awarded hereunder is necessary to ensure organized, cost effective, and efficient service throughout the collection districts; and

WHEREAS, South Carolina law provides that a franchise is a special privilege, not held by citizens generally, and is a right granted by the government to particular individuals or companies which will create private profits; and

WHEREAS, the regulatory system described above and the contracts to be awarded hereunder are in compliance with South Carolina law; and

WHEREAS, County Council’s practice has been generally to establish a franchise by means of the adoption of an ordinance.

NOW, THEREFORE, be ordained it by the Charleston County Council, in meeting duly assembled, finds as follows:
