Chapter 5, Overlay and Special Purpose Zoning Districts
Article 5.2, NRM, Natural Resource Management District
Sec. 5.2.3 Exceptions

A. RM District Standards...

B. Dewees Island

For residential property located on Dewees Island, the Planning Director shall be expressly authorized to issue permits for development that complies with the Dewees Island Architectural and Environmental Design Guidelines (date October 25, 1996) instead of the Planned Development procedures and standards of this Ordinance.

Short-term rental use of the Huyler House shall be allowed as described below. The requirements of Art. 6.8, Short-Term Rentals, of this Ordinance shall not apply; however, the use shall comply with all other applicable sections of this Ordinance and other County Ordinances.

For the purposes of this Section, short-term rental use shall mean rentals for intervals of 29 days or less regardless of: (1) the occupancy status of the property; and (2) whether rental fees are charged or other forms of compensation are offered or required.

1. The Huyler House shall only be rented to Dewees Island property owners and their guests and guests of the Dewees Island Property Owners Association (POA);
2. Rental of the Huyler House shall only be advertised through the POA intranet site and shall not be marketed or advertised through any other means including, but not limited to, online advertisements or advertisements through rental agencies, realtors, brokers or other third party entities;
3. There is no cap on the number of days the Huyler House can be rented per calendar year;
4. A STRP Zoning Permit shall be required to establish the short-term rental use of the property. Administrative review shall be required to establish the use and the following requirements apply:
   a. The Building Inspections Services Department may require a building safety inspection and/or Building Permit;
   b. A minimum of four parking spaces are required. The location of the required parking shall be indicated and parking agreements necessary to facilitate off-site parking shall be submitted with the STRP Zoning Permit application; and
   c. Each room where tenants may lodge shall contain a notice providing the following information:
      i. Contact information for the owner of the property;
      ii. Zoning Permit Number and Business License Number for the short-term rental use of the property for the current year;
      iii. Trash collection location and schedule; and
iv. Fire and Emergency evacuation routes.

5. Once the STRP Zoning Permit is issued, a Business License must be obtained;

6. The STRP Zoning Permit must be renewed by December 31st of each year or the existing STRP Zoning Permit will expire. The STRP Zoning Permit will terminate on December 31st of each year regardless of whether or not the applicant receives notice from the Zoning and Planning Director. The STRP Zoning Permit annual renewal application must include:
   a. The STRP Zoning Permit renewal application fee; and
   b. A notarized affidavit signed by the property owner stating that the STRP use and the information submitted as part of the application for the previous year’s STRP Zoning Permit has not changed in any manner whatsoever and that the STRP use complies with the requirements of this Section.

A new STRP Zoning Permit application must be filed if the aforementioned requirements are not met.

7. Notwithstanding the provisions of Chapter 11 of this Ordinance, the STRP Zoning Permit may be administratively revoked by the Zoning and Planning Director or his designee if the STRP has violated the provisions of this Article on three or more occasions within a 12-month period. Provided however, the STRP Zoning Permit may be immediately revoked if the Zoning and Planning Director determines the STRP has Building Code violations, there is no Business License for the property, the STRP is being advertised or marketed on the POA intranet site in a manner not consistent with this Section, the advertisement for the STRP does not include the County issued Zoning Permit Number and Business License Number, the STRP is being advertised on a platform other than the POA intranet site, or the property is being used in a manner not consistent with the Zoning Permit issued for the STRP use.

8. If the STRP Zoning Permit is administratively revoked, the STRP owner (or authorized agent) may appeal the Zoning and Planning Department Director’s administrative decision revoking the STRP Zoning Permit to the Board of Zoning Appeals within 30 calendar days from the date of the denial or revocation. All appeals shall be addressed in accordance with the appeal procedures of CHAPTER 3, Article 3.13, of this Ordinance.

9. Subsequent Application. Once the STRP Zoning Permit and/or Business License has been revoked, no new STRP Zoning Permit and/or Business License shall be issued to the applicant for the same property for a period of one year from the date of revocation. Upon expiration of the revocation period, a new STRP Zoning Permit application must be submitted in accordance with this Section.
