NOW, THEREFORE, be it ordained by the County Council of Charleston County, South Carolina, in meeting duly assembled, County Council adopts the above-stated recitals as findings of fact and enacts the following Ordinance:

SECTION ONE: PURPOSE AND INTENT
This purpose and intent of this Ordinance is to issue a moratorium on Major Subdivisions in the areas designated as Historic Districts. Charleston County has experienced unprecedented growth in the past few years and the County has seen an increase in the amount of applications for subdivision plat and residential development approvals. The amount of applications has the potential to alter the character of the Historic Districts. The moratorium shall allow the Zoning and Planning Department, in coordination with other appropriate departments and staff, and consultants, sufficient time to research, review, and analyze the Comprehensive Plan, Historic Preservation Ordinance, and Zoning and Land Development Regulations Ordinance in order to assure the provisions of such regulations promote development that is consistent with the character of the Historic Districts and meets the needs of Charleston County and make such recommendations to County Council as may be necessary.

SECTION TWO: MORATORIUM
County Council hereby implements a moratorium on accepting and processing of Major Subdivision applications in the Historic Districts. The moratorium shall allow the Zoning and Planning Department time to strategically evaluate the County’s ability to promote development
consistent with the character of its Historic Districts and identify any recommendations that may be necessary to achieve such goals. The moratorium shall not affect any other types of permits from the County, including but not limited to, zoning permits, building permits, demolition permits, business licenses, or Minor Subdivisions.

SECTION THREE: DURATION
The moratorium set forth in this Ordinance shall become effective upon final adoption by third reading of the Ordinance and shall terminate in twenty-four (24) months after third reading. The moratorium shall automatically expire at the end of this period, unless it is terminated earlier or extended longer by County Council.

SECTION FOUR: LEGISLATIVE ADOPTIONS
During the period of the moratorium, the County shall act promptly to review the Comprehensive Plan, Historic Preservation Ordinance, and Zoning and Land Development Regulations Ordinance. The Zoning and Planning Department shall work with the Historic Districts, community stakeholders, and other necessary individuals to propose amendments, including but not limited to, overlay zoning districts, rezonings, and historic property designations and historic district designations, to the Comprehensive Plan, Historic Preservation Ordinance, or Zoning and Land Development Regulations Ordinance. County Council shall promptly review all proposals and adopt any amendments deemed necessary.

SECTION FIVE: EXEMPTIONS
This moratorium shall not apply to 1) applications for Minor Subdivisions, 2) applications for Major Subdivisions that have been deemed complete and accepted by the County prior to the adoption of this Ordinance, and 3) any other rights that have vested prior to the adoption of this Ordinance.

SECTION SIX: SEVERABILITY
If for any reason any portion or section of this Ordinance is invalidated by a court of competent jurisdiction, the remaining portions or sections of this Ordinance shall remain in full force and effect.

SECTION SEVEN: EFFECTIVE DATE
This Ordinance shall take effect immediately following third reading by County Council.

ADOPTED and APPROVED in meeting duly assembled this 23rd day of July 2024.
